A woman with dark hair and a joyful expression is holding a massive, shiny gold bow behind a man's head. The man, who has short dark hair and a neutral expression, is looking directly at the camera. He is wearing a white t-shirt with a blue and black geometric pattern and a dark blue blazer. The background is a white wall with a subtle diamond pattern. To the right, a portion of a Christmas tree with gold and blue decorations is visible.

EXCLUSIVE!

It's Jenna from *The Valleys*!

She's cute and comely and comes from Cymru!*

WE HAVE a theory that the global recession can be blamed on the fact that, until recently, MTV's *The Valleys* didn't exist. Thankfully, it now does, so the world's a much happier place. And here's another reason to grin like a twerp – the show's Jenna Jonathan in next to no clothes. Jenna dreams of becoming a glamour model. Here at *Nuts* we like to help make dreams come true. We're like fairy godmothers. Hairy fairy godmothers with beer guts.

"Hey, who nicked my shoulder bag?"

JENNA ON THE TELLY!

If you missed it first time round, catch up with repeats of *The Valleys* on MTV, Tuesdays at midnight.

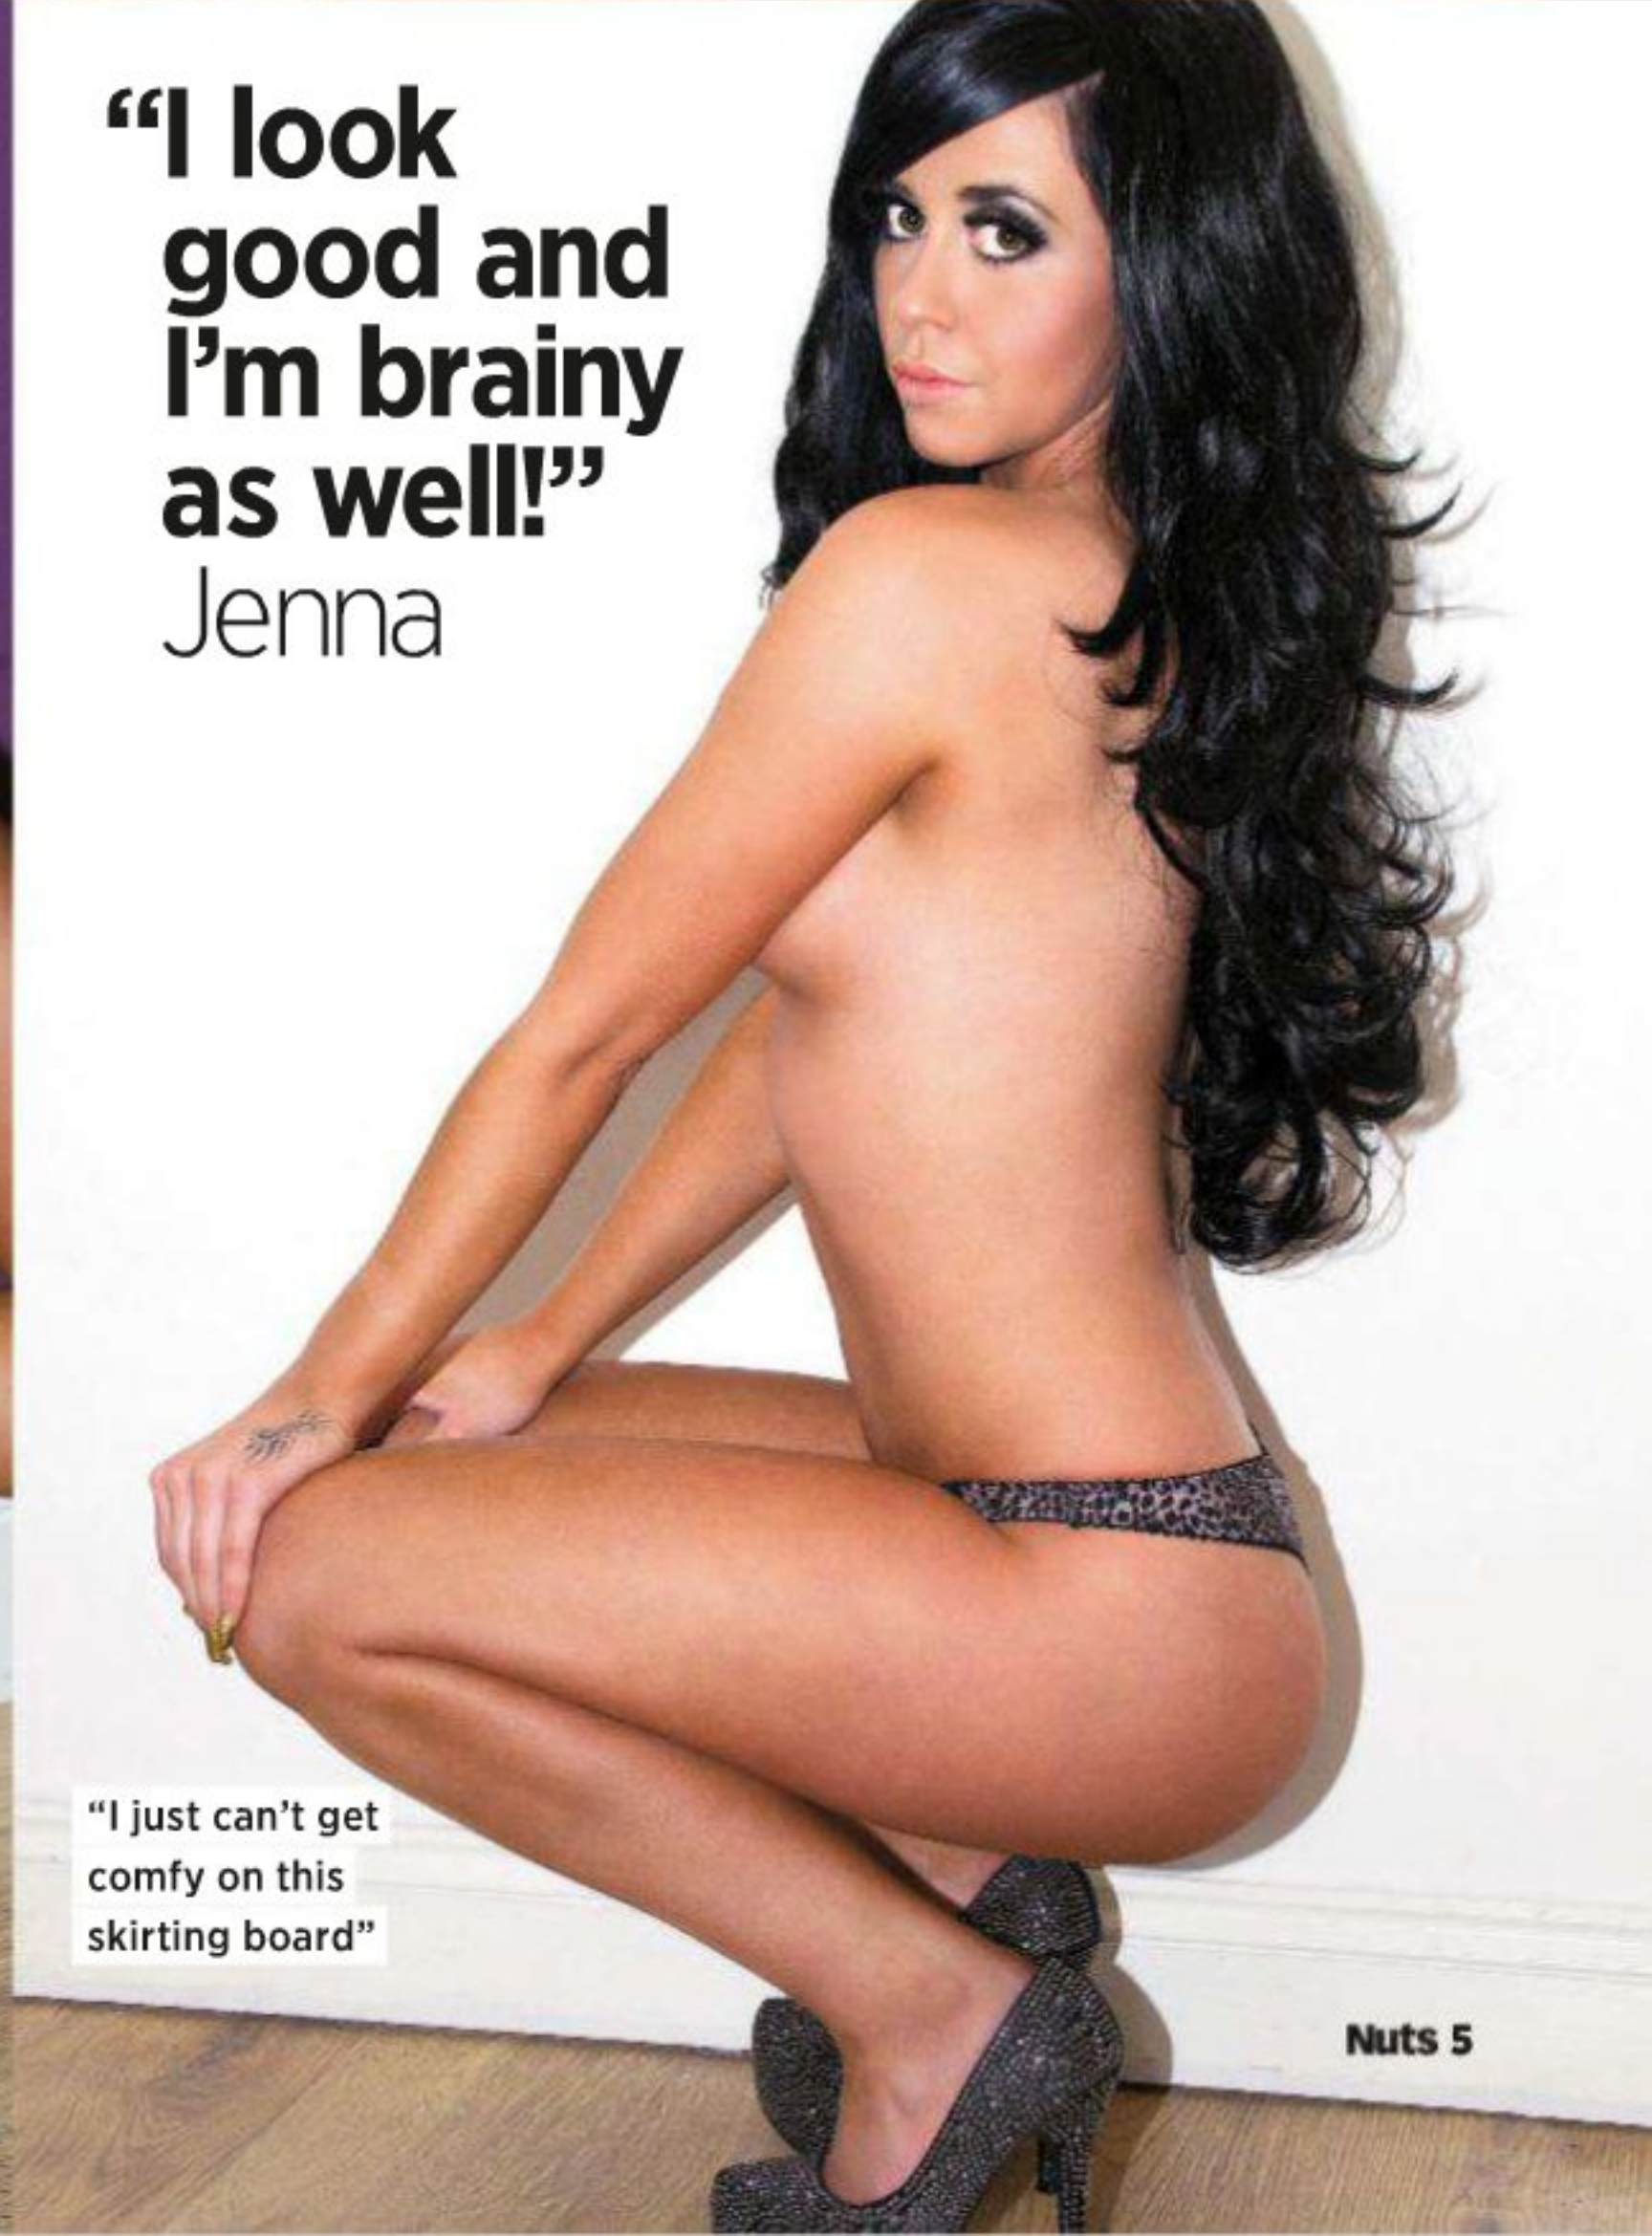

"They're sensitive to the light, OK?"

"Awesome – two bugs having a race!"

"When I move my arm down it makes a trumping noise!"

"I look good and I'm brainy as well!"
Jenna

"I just can't get comfy on this skirting board"

Top Gear's Xmas Special!

Clarkson, Hammond and May hit the USA for a festive supercar stunt!

TIME TO REFUEL

Stopping for petrol in Baker, California, the boys were snapped by passing fans. We hope Clarkson got out of the car at some point. We also hope that's not cider!

THE BESTEST thing about Twitter (not including #nutsmagicmonday) is that celebrities can't help but be indiscreet across their given 140 characters.

We now know that just last week, the *Top Gear* chaps were racing across America, filming their latest stunt. So

far we've sleuthed that they landed in Vegas and did some drag racing, before hitting a track at Willow Springs Raceway and decamping to Mexico, via Baker, California. An epic trip, then. Hopefully the show will be more epic than the India Special, which was, erm, not the present we were hoping for.

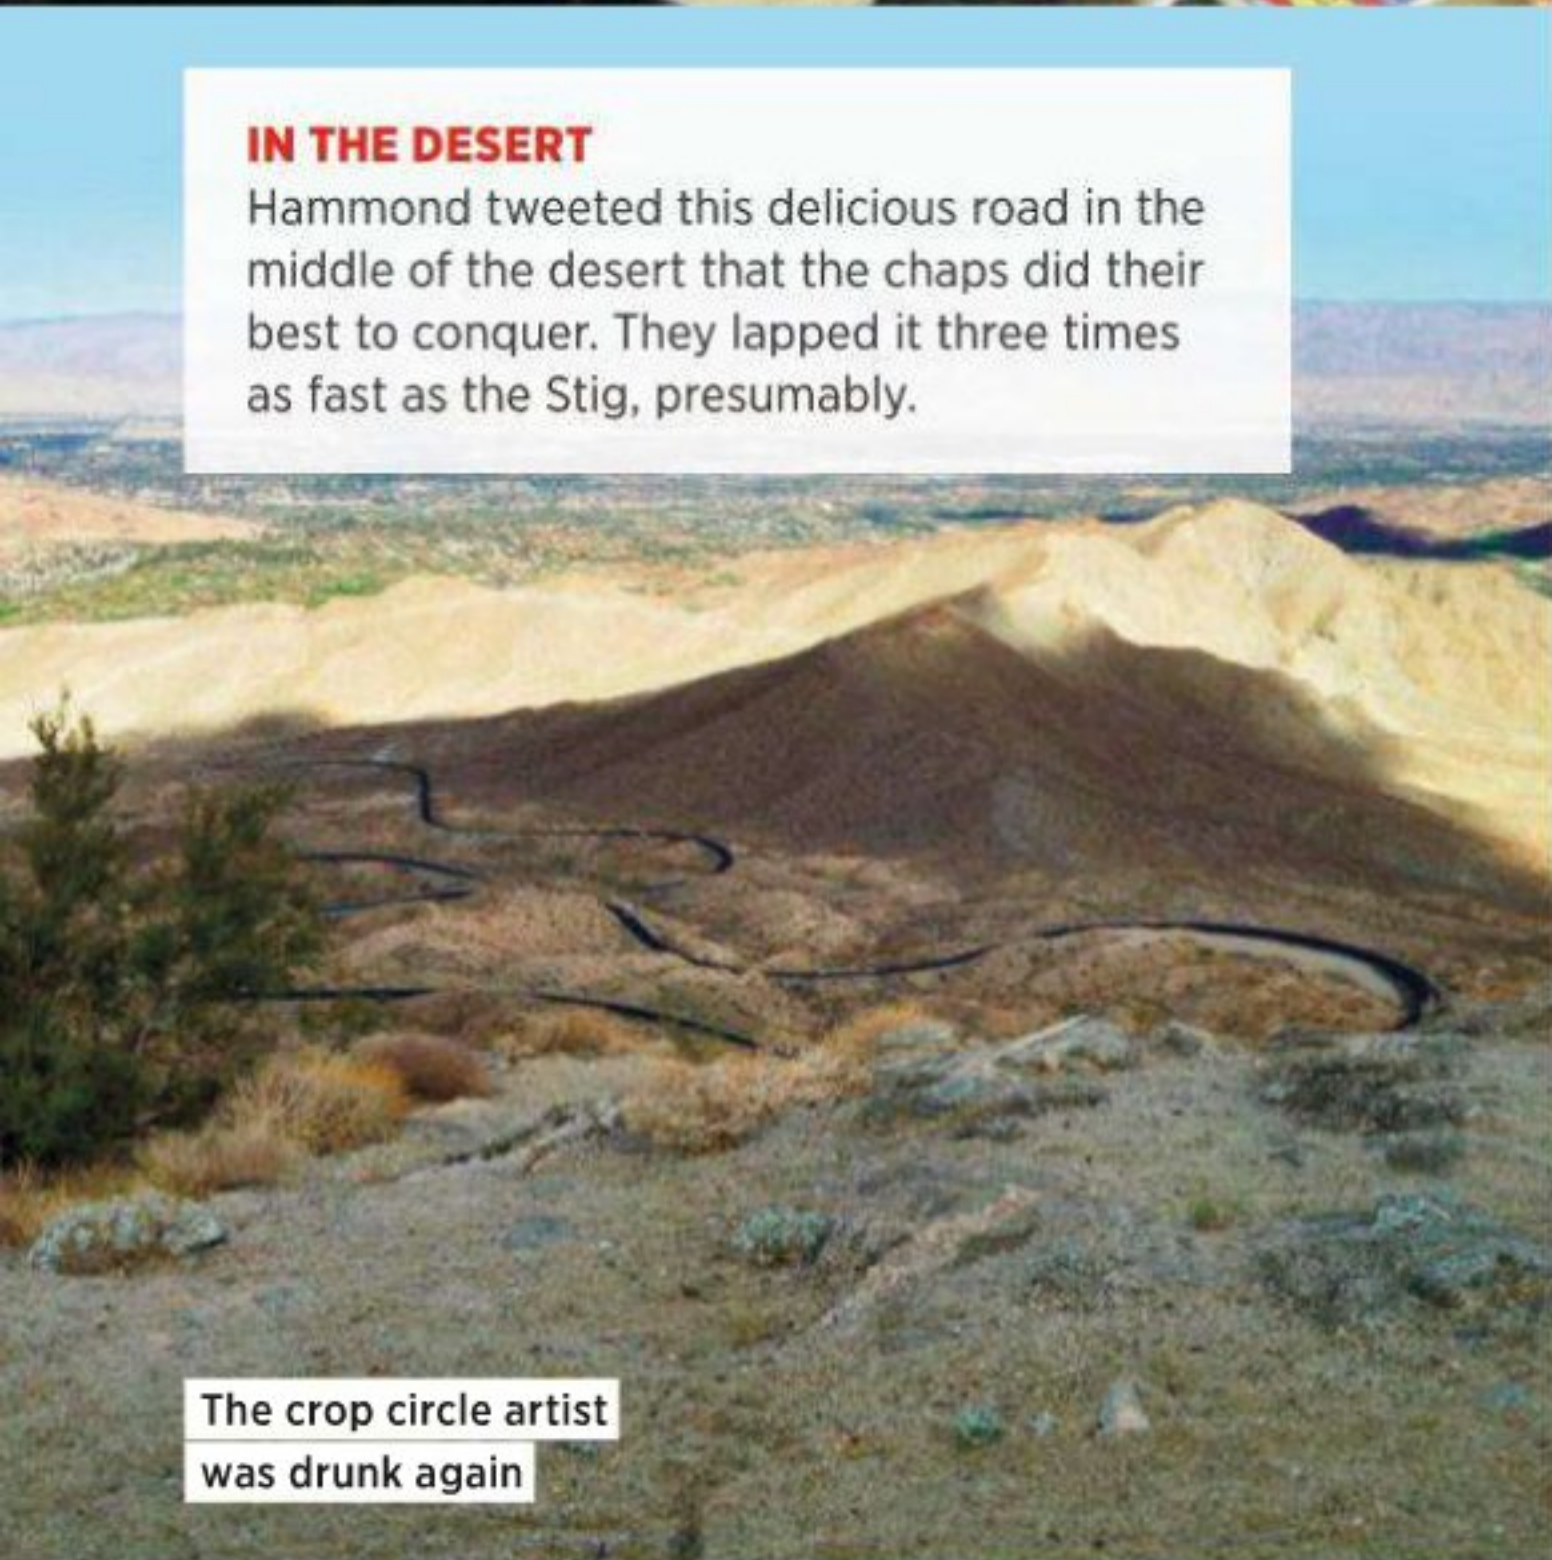

"I'm staying put. For one thing, that woman's staring at me"

GAMBLING

Clarkson and May had a pop on the gambling machines in Vegas. "They're happy in their respective offices," quipped the Hamster, after slapping the snaps up on Twitter.

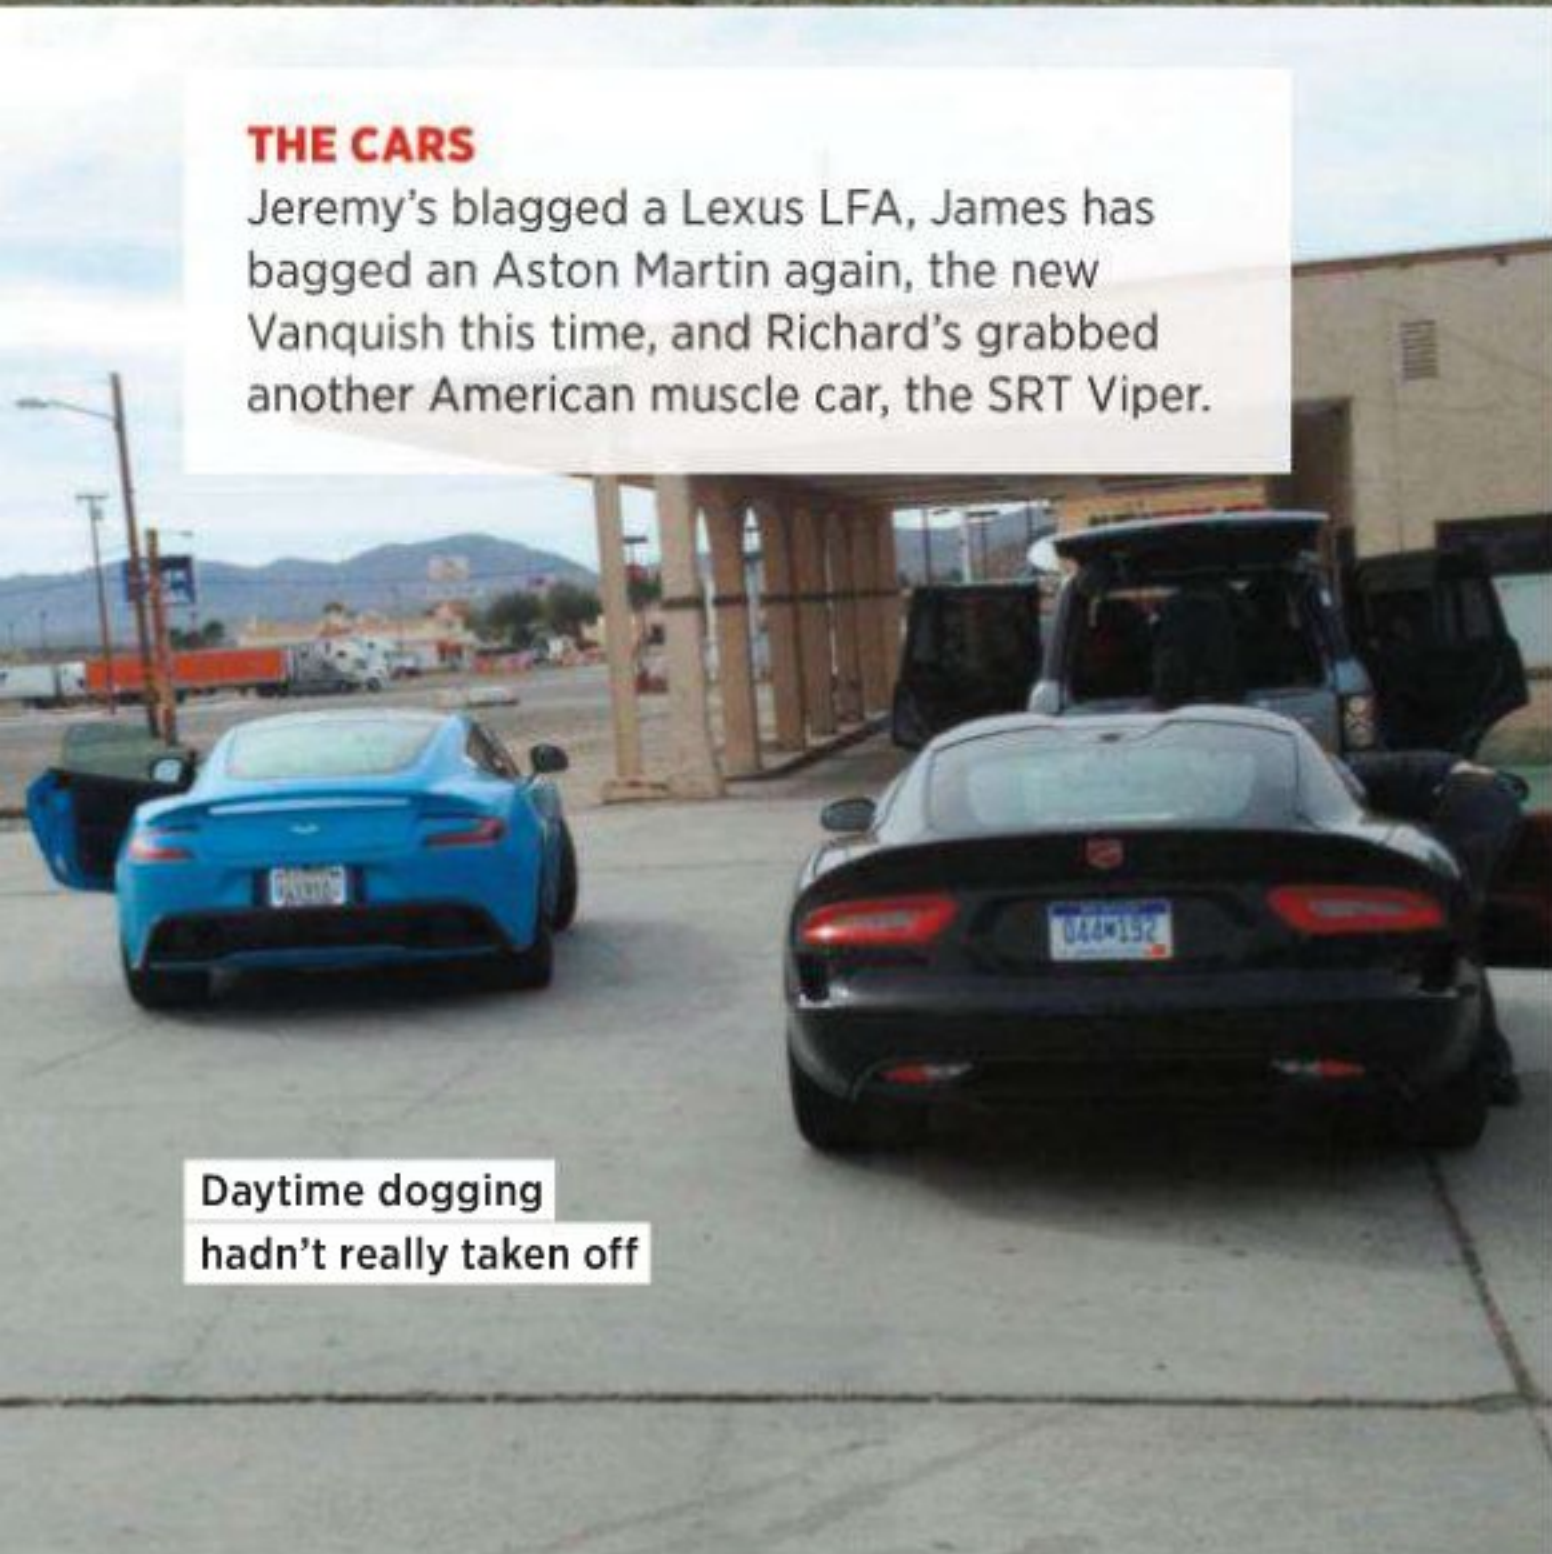

"How do I get Babestation?"

IN THE DESERT

Hammond tweeted this delicious road in the middle of the desert that the chaps did their best to conquer. They lapped it three times as fast as the Stig, presumably.

The crop circle artist was drunk again

THE CARS

Jeremy's bagged a Lexus LFA, James has bagged an Aston Martin again, the new Vanquish this time, and Richard's grabbed another American muscle car, the SRT Viper.

Daytime dogging hadn't really taken off

Tevez's mad week!

His car is towed, but he can buy a new one!

"WHY ALWAYS me?" may be the catchphrase of Balotelli, but he's not the only Man City player who has the odd misadventure. In the past couple of weeks, his striking chum Tevez has seen his £100,000 Porsche towed away after he was

pulled over without a valid license, and subsequently celebrated his goals against Aston Villa with a "steering wheel" mime. And then a payslip that was claimed to belong to Carlos found its way online, which showed (if it's really his) that he can afford to buy four new ones!

"Mount me!"

- After deductions, the poor lamb doesn't even earn £5million!

All-new Greg Davies funnies!

Brand new laughs from comedy's gentle giant!

On his grandad!

"I've got one grandad left. He's in his 90s. He recently described himself to me as 'physically ruined'. I went to see him in his nursing home. He had a little blanket over his knees. I went, 'You all right, grandad?' He went, 'Of course not. F**king kill me.' A nurse walked in – she was beautiful, about 22. She went, 'Morning!' My grandad went, 'Well, hello there!' As if any part of that girl's brain went, 'Do you know what I fancy? I fancy getting banged by a man who gets out of breath eating soup.'"

On his diet!

"I've eaten five peaches today. Is that my five a day? No. Why not? Because they have to be different ones. How many is five peaches? One. What happens if I eat a hundred peaches? I'll sh*t myself, that's right."

On his underpants!

"About three quarters of an hour ago, the top band of my underpants broke. Another man had to help me tuck my broken pants into my belt. Realistically, that system isn't going to hold. I'm probably going to have a testicular cummerbund floating around my groin within half an hour. You won't see because I'm wearing jeans. But I'll keep you up to speed."

On his body!

"There's a full-length mirror outside the shower in my flat. I saw my naked frame and went, out loud, 'For f**k's sake!' My body looks like it's been sculpted by a two-year-old child out of a block of budget ham."

On his weight!

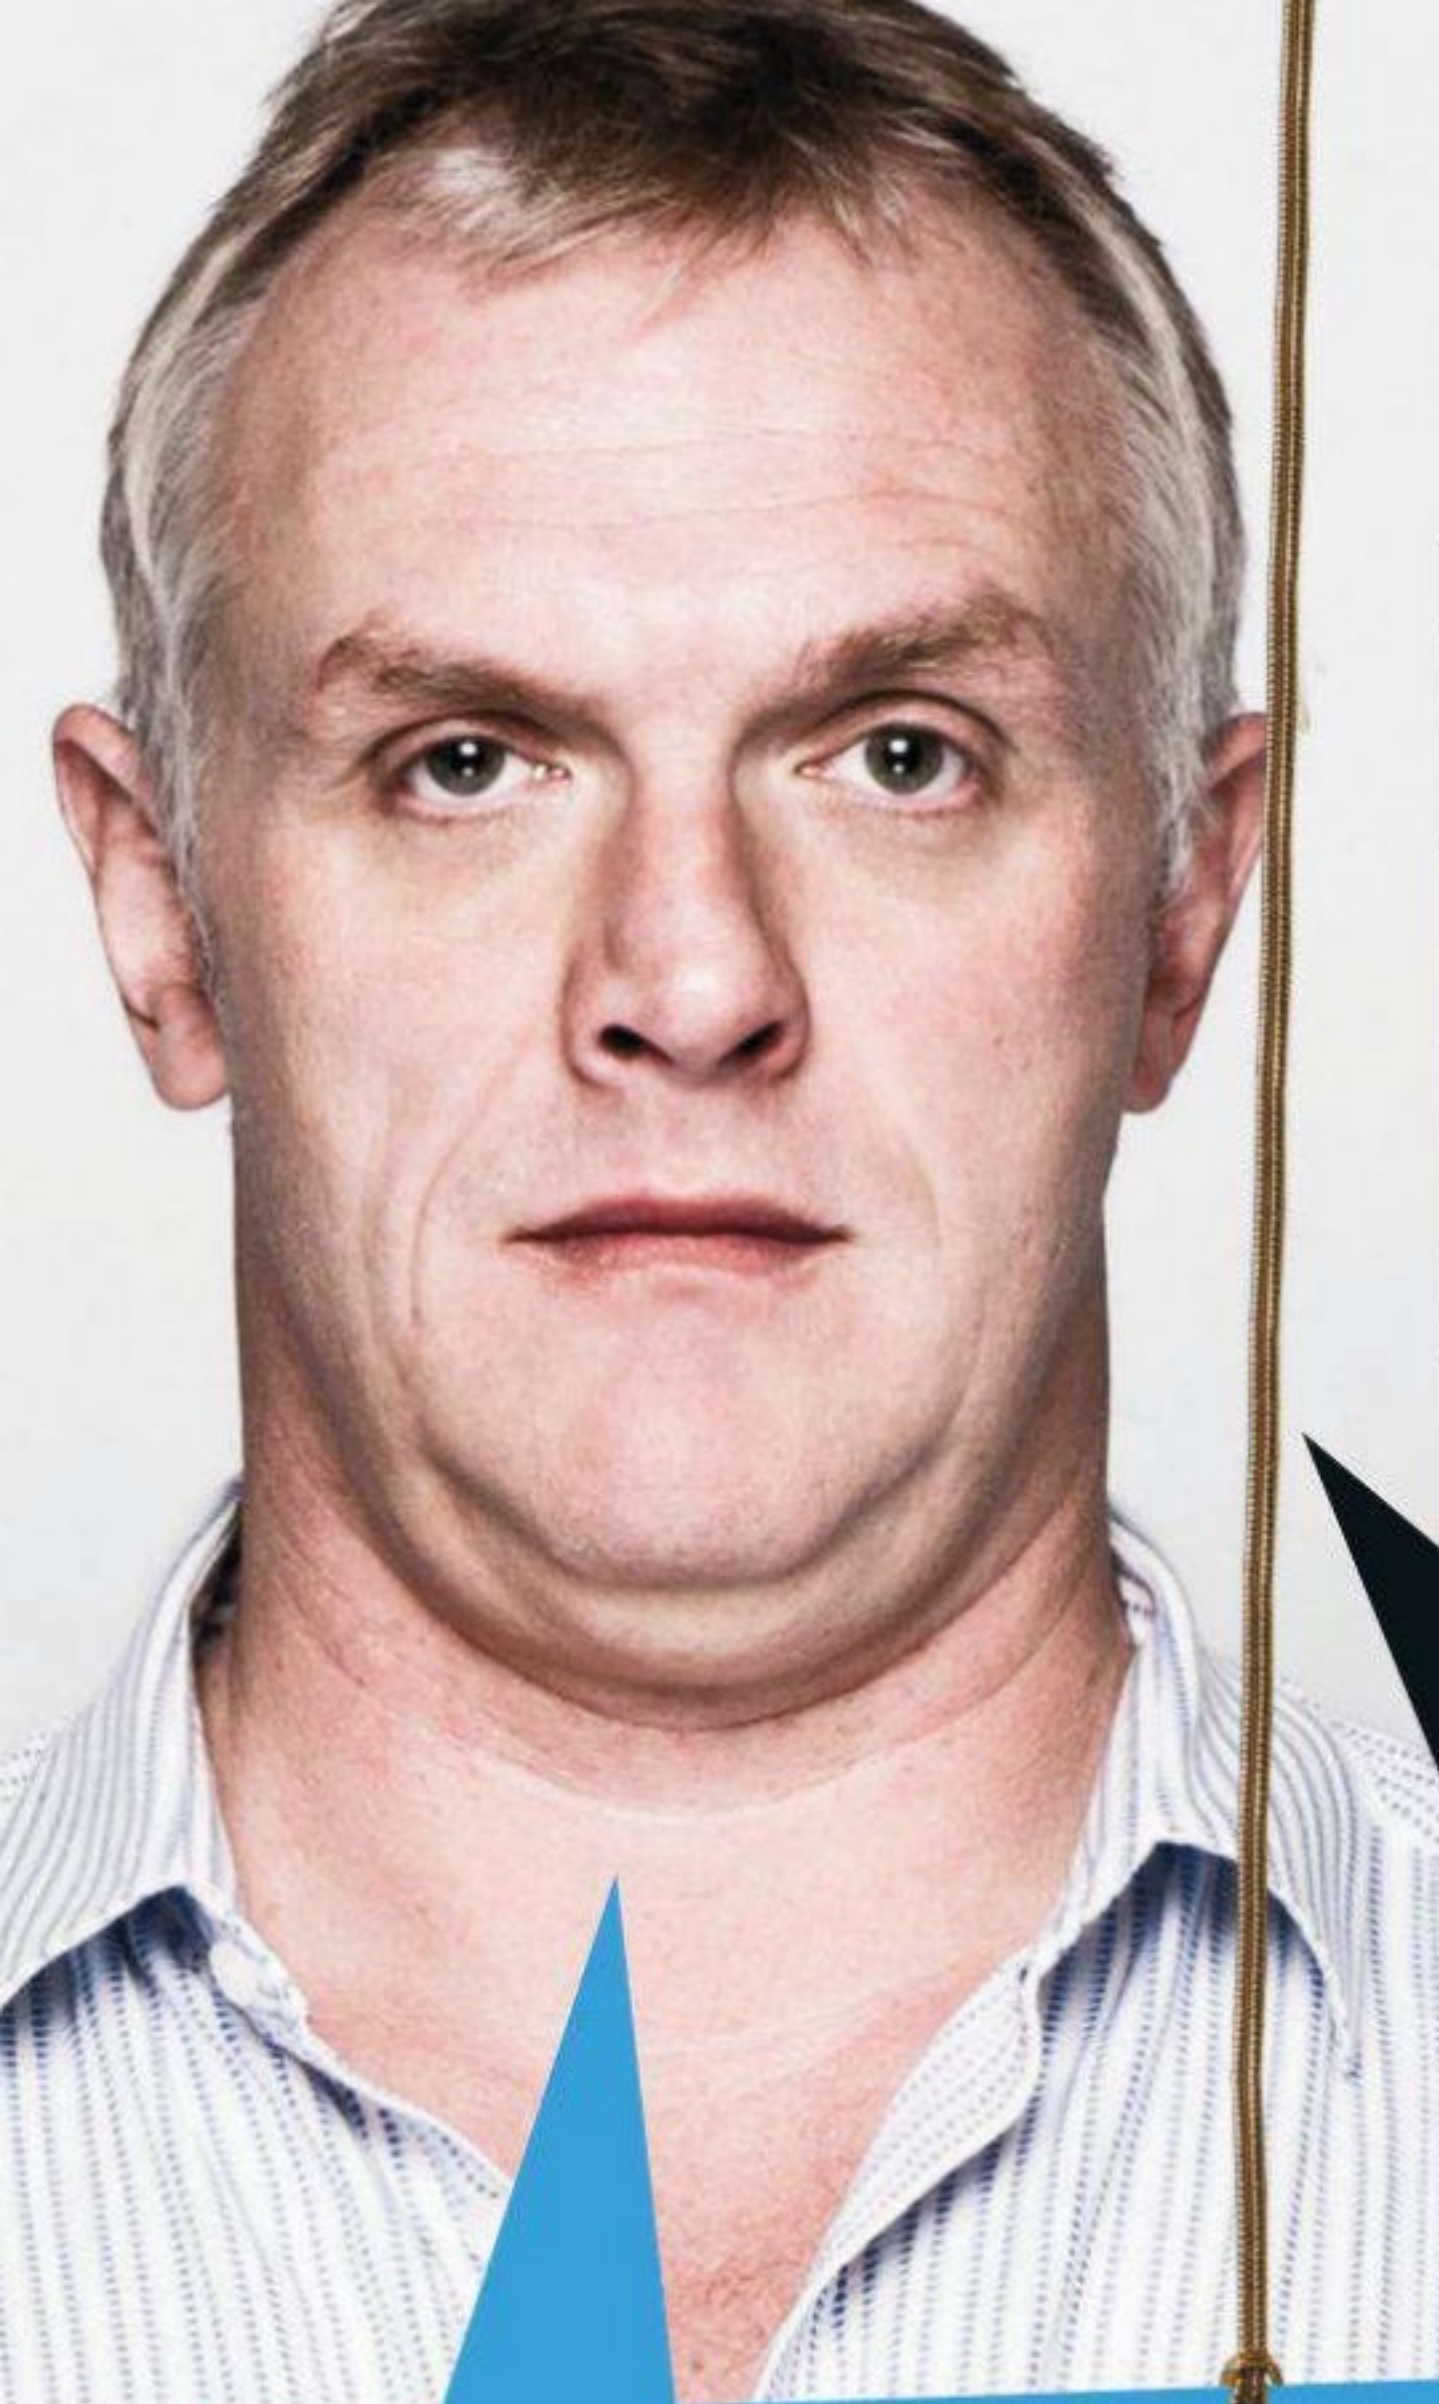

"I went to the toilet in my flat for a sh*t, sat down, and the f**king toilet came off the wall. When does that happen? I was mid-sh*t! I had to go to the guest toilet with my pants around my ankles, doing the f**king walk of shame. Not even Elvis broke his toilet!"

On his dress sense!

"I recently recorded *Live At The Apollo*. I was proper f**king excited and was sh*tting my pants. Five minutes before I walked on, the producer went, 'Um, Greg, are you wearing that shirt? Have you got another one?' I went, 'What's wrong with it?' I barely know this man. He went, 'You look like a bin bag full of coleslaw.'"

On having sex!

"I'm an amazing lover. I've been shagging a lot longer than many people. Were all those shags all good? No. But every now and again, I'd be doing one of my moves and one of the girls would do a half smile. I'd think, 'She likes that.' I've built up a Rolodex of filth in my mind. I could unleash them on you all at once or one at a time. You'd all go f**king crazy. Here's the cruel irony. I'm 44. I can't be arsed. The only way all this sexual knowledge will get used is if I see a lovely young couple, they invite me back to their place and I talk them both through it like an awful sexual puppeteer."

On his mum!

"Throughout my childhood, my mum used to say something to me before she left the room in disgust. 'It's not normal, love.' I once drew a massive c*ck and balls on the roof of her car. I'd have got away with it if I hadn't overheard my mum talking to my dad. 'Bob, I'm worried someone has a vendetta against the family. There appears to be a strange gang symbol on my car.' I said, 'It's not a gang symbol. It's a c*ck and balls.' She said, 'It's a c*ck and balls? Why did you do that? It's not normal, love.'"

"I once dressed our family dog, Rex, in a pair of my dad's underpants. Rex protested in the only way he knew how, by doing a massive sh*t in them. Which led my mum to say my favourite quote of all time: 'Why am I cleaning dog sh*t out of your dad's pants? It's not normal, love.'"

"My mum came to stay a few years ago when I lived with a big Geordie lad called Chris. In the middle of the night, she went to the toilet and accidentally walked into Chris' room. She went, 'Argh!' and ran back to her bedroom. She came down to breakfast beetroot red. She went, 'Oh my god, Chris, I haven't slept a wink, I'm so embarrassed about coming into your room.' He went, 'Oh, Pauline, anyone could have made that mistake. I went straight back to sleep.' She went, 'That's very kind of you.' Then she said this: 'I bet you thought I was going to sit on your face.' Thirty minutes later, I explained the modern-day meaning of 'sit on your face' to my 71-year-old mother."

On doctors!

"I had to have some medical procedures because there was something wrong with my stomach. I had to have three cameras inserted into me. I had a camera down the throat, the endoscopy. The only thing that's made me gag more was the time I saw the family dog eat a swan, legs first. I had a camera in my arse, the colonoscopy. I put my hand on his head and said, 'Thank you, doctor. I'll remember you always.' He told me to grow up. And a few weeks later, a man put a camera in my penis. I think members of the medical profession should be educated in the art of small talk. Because as he tapped a camera into my most sensitive of organs, he asked me this question: 'Will there be another series of *The Inbetweeners*?' The answer is no – those boys are in their 40s."

On the male brain!

"The male brain refuses to accept physical decay. It doesn't matter what the evidence is, we still think we're alright. A pretty, young girl walked past me in the high street and that part of my brain went, 'Who knows, Greg? Maybe she likes ham?'"

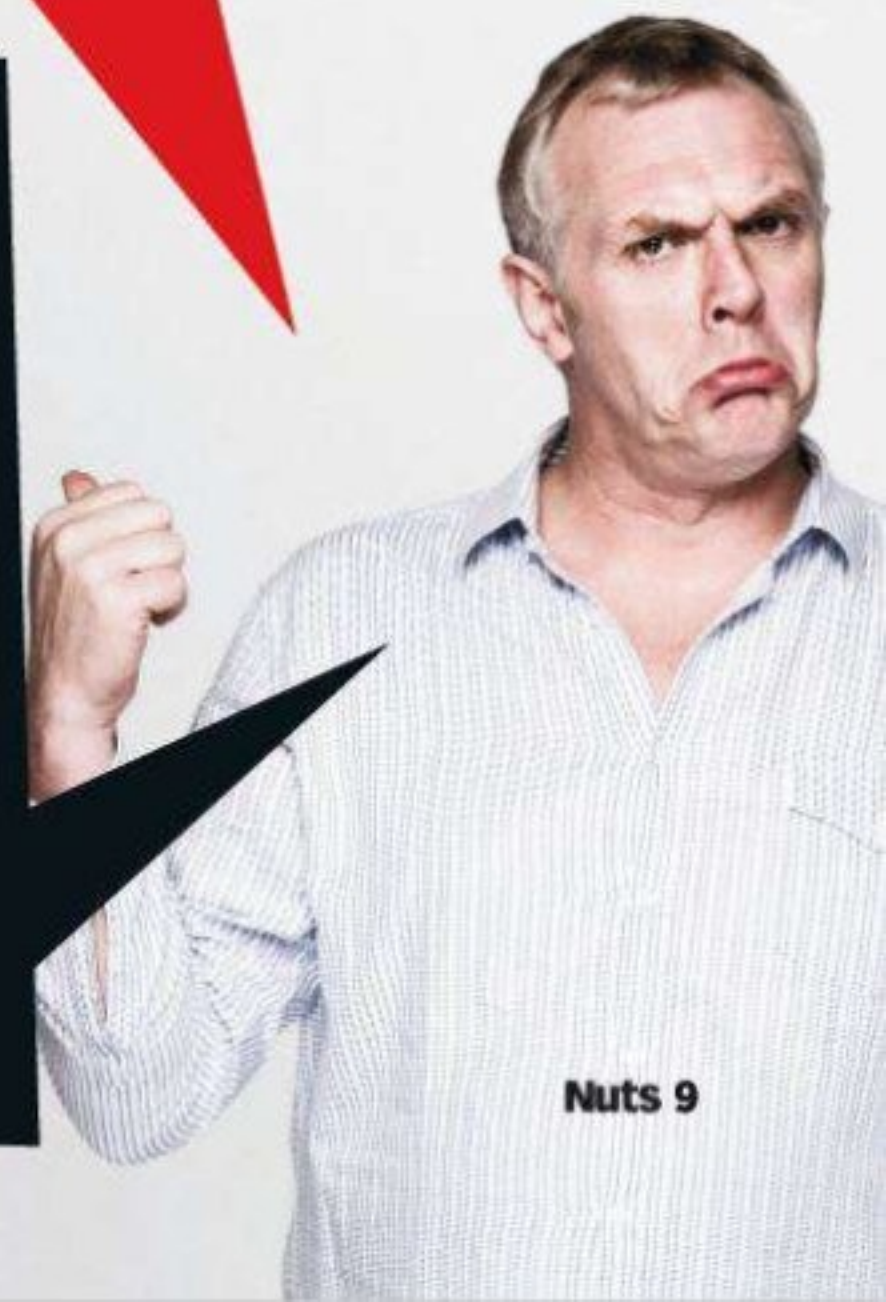

On his sanity!

"We're all clinging on to sanity by our fingertips but we don't admit it. I'll admit it. Two weeks ago, I went to my best friend's wedding. For the entire time, I was fantasising about head-butting his wedding cake. I swear to God I nearly did it. You're thinking, 'That's not normal.' How many of you have been driving your car with other people and thought, 'All it takes is this [mimes swerving steering wheel] and everyone's dead?'"

On his dad!

"When I was 13, I went to see my dad because I was worried my testicles were moving independently. I thought there was something living in my balls, which I know was ridiculous, but most fathers would take it seriously and try to make their son feel better. My dad called me Alien B*lllocks for the next five years."

Thor 2: behind the scenes!

First glimpse of Norse God sequel

➔ **THERE WERE** two surprising things about the first *Thor* movie: that it was directed by prancing Brit super-luvvie Kenneth Branagh, and that it was good. So it's full steam ahead for the sequel *Thor 2: The Dark World*, currently being filmed in good old Blighty! Hence these snaps here, showing star Chris Hemsworth laying the smack down with his trusty mythical hammer. Sit tight! It's not out till 8 November next year.

NEW BADDIE

Former Doctor Who **Christopher Eccleston** is this movie's evil bloke. He plays Malekith the Accursed, ruler of the Dark Elves of Svartalfheim, who once wielded the "Casket of Ancient Winters"! Ahem.

THE DARK WORLD

The Dark World in the film's title refers to Svartalfheim – the realm of the dark elves, led by Ecclestone, who have been hanging around since before the dawn of time, waiting to be super-naughty.

THOR COMES TO LONDON

This scene was filmed at the Old Royal Naval College in Greenwich, London. With English cars scattered around and British props this does confirm that the movie will most likely reach its climax in London.

STARS OLD AND NEW!

Chris Hemsworth (Thor), Natalie Portman (Jane Foster), Tom Hiddleston (Loki), Anthony Hopkins (Odin) and Idris Elba (Heimdall) all return – with a new baddie: Christopher Eccleston.

Crazy Merc 4x4 concept!

RoboCop! Your new car's arrived! (In the form of a one-off, hydrogen-powered beast!)

- Please blame the police. This is the Mercedes Ener-G-Force concept which, according to Merc, is "pure rendered science fiction". It's a one-off model that depicts a civilian version of a futuristic police car. So why does it exist? Good question.
- Ener-G-Force (sounds a bit like a Roman gladiator crossed

with a hyper-sugary drink) is a product of the Los Angeles Design Challenge, which briefed manufacturers to dream up their vision for a highway patrol cop whip in the year 2025.

- Merc claims it takes direct inspiration from its iconic relic G-Class, with a similar-shaped window glass,

WORDS: JONNY SMITH

MAD MERC!

This isn't Harlow!
Blinking satnav!"

The Taliban had
won Euromillions

shoe-box shaped wheel arches and old-school wing-top front indicators. This isn't as silly an idea as it seems, because in California the old G-Wagen, which was launched in 1979, is still one of Hollywood's favourite modes of transport.

- Mercedes says that should a production version become reality – in, say, 2025 – it would

be fuelled by recycled water stored in roof-mounted tanks. The water would be fed through an on-board “hydrotech converter” to turn it into hydrogen, then the car’s fuel cell would use the hydrogen to generate power.

- This portable electric power station would give a hypothetical 500 mile

(805km) range via the four wheelhub-mounted motors. And being a hydrogen fuel cell, it gufs nothing but water from its exhausts. This might all sound a bit as though someone in an LA design office has just enjoyed a weekend on the crack pipe, but in fact Mercedes has been quietly pioneering hydrogen fuel cell systems in cars for several years now.

- On the road, it uses something called “Terra-Scan” – a 360-degree

topography scanner that analyses the lumps and bumps of the road ahead and automatically adapts damping rates to suit conditions. This is actually very similar to the Terrain Response system that’s been strapped to the brand-new Range Rover.

- In our heart of hearts, *Nuts* hopes this will help shape the new version of the faithful old G-Wagen, and could continue Mercedes’ 30-odd-year fisticuffs with Land Rover’s Defender.

SOYUZ CAPSULE

Soyuz down!

Spaceship lands in middle of nowhere!

THIS INCREDIBLE picture, which looks like the opening scene to an *X Files* movie (or a Spartak Moscow home game) is actually the first response team of the Russian space programme, meeting their Soyuz capsule after it landed near the remote town of Arkalyk in northern

Kazakhstan. The astronauts – the US' Sunita Williams, Russia's Yuri Malenchenko and Japan's Aki Hoshide – were returning from a four-month stretch on the International Space Station.

Their first question was reportedly: "Has Helen Flanagan passed any Bush Tucker Trials yet?"

Soyuz landing facts

- The return to Earth of the Soyuz craft took 15 hours and 30 minutes from a starting position 250 miles above northwestern China. It included about an hour of freefall.
- The capsule missed its landing site by a few miles, before landing on its side. Eight helicopters were on the scene within a matter of minutes.
- The astronauts were lifted onto reclining chairs and wrapped in blankets to shield them from temperatures of -11 degrees Celsius. The chairs allowed the crew to acclimatise gradually, after months of no gravity.
- Yury Malenchenko has spent 642 days in space, making the Russian the sixth most experienced space traveller in history.

157M HIGH

Ring of steel!

Chinese chaps make enormous erection

BY ALL accounts, this very strange structure surprised almost everyone in the city of Fushun in northeast China's Liaoning province. The 157 metre-high ring is made of 3,000 tonnes of steel and incorporates 12,000 LED lights which will glow sweetly at night.

The whole shebang cost around £10million to build and was originally intended to have a bungee-jumping platform at the top of it, until killjoy authorities put the kibosh on that plan. And that's it, really. It just sits there, a bit pointless, but nice looking. An architectural Helen Flanagan, if you will.

➔ **GOALKEEPERS** HAVE a tough time, flinging themselves around every week, but few suffer the drama that befell shot-stopper Michael Butler, 30, from Maidstone.

While playing for his six-a-side team, Bang Tidy FC, Michael was ploughed into

by an overeager opponent as he tried to claim the ball, smashing his elbow open.

"I was in hospital for a week while they inserted eight pins to put my elbow back together again," says Michael.

And, just two hours after he left hospital, he was rushed back again in extreme pain.

"The pain was even worse than the original break," he explains. "They diagnosed me with internal swelling of the tissue. They had to surgically open my arm up before the swelling killed all the nerves."

Michael's now on the mend, but we doubt he'll be claiming any crosses any time soon!

Is ex sex best?

I got a bit frisky with my ex after bumping into her at a gig. A lot of feelings came flooding back, even though I'm with another girl now. Should I leave it as a fling or take it further?

ADAM Berkshire

If you were that into your ex, you'd have made it work in the first place. Let both your ex and your current girl go, as you're clearly not ready to commit. Your break-up sex could be epic. I'm thinking out in the garden - keep her clothes on but rip her tights.

I love tights!

I'm pretty sure I have a fetish for girls in tights. Is this weird? If not, how can I persuade my missus to start wearing them more in the bedroom? They drive me absolutely wild!

JON Yeovil

LETTER OF THE WEEK!

How can I be handy?

Do you have any tried-and-tested tips for using my hands on a girl in a way that's guaranteed to make her orgasm?

DAN London

If only women were that easy! There's no guaranteed technique. The foreplay should happen way before bedtime - if a girl finds you attractive, technically, dry humping can make her orgasm. Circle your index finger around and over her clitoris, not too light but not too firm, connect with her and you'll get the pressure. Kiss her neck, feel her wetness. Tell yourself you know what you're doing, and you will. It's all in a patient, steady hand.

Oh! Speak to Adam, I just told him a good rip in the tights is extremely erotic. The trick is, when she does wear tights in the bedroom, don't take them

off. Scratch them, bite them, lick them, look into her eyes and tell her you like them. Breathe through the tights onto her crotch - trust me!

Three's a crowd

My girlfriend and I have talked openly about getting another girl involved in the bedroom. But the more I think about it, the more I think I'll be rubbish at it! What makes a good threesome?

ANON via email

A threesome shouldn't be planned. It's fantastic that you've discussed it together, but thinking about certain positions and mentally choreographing it will make the night stale and awkward. Allow your girlfriend to begin, sit back and allow the ladies to bond. You'll know when you're needed, so don't be greedy. And most importantly, enjoy it!

JOKE OF THE WEEK!

Saint knickerless

THREE MEN die on Christmas Eve. They soon all find themselves at the Pearly Gates waiting to enter heaven, but they're told that they will only be allowed to come in if they offer St Peter something Christmassy.

The first man searches his pockets and finds some mistletoe, so he's allowed in.

The second man hands over a Christmas cracker, so he's also allowed in.

The third man pulls out a pair of panties.

Puzzled at this last gesture, St Peter asks, "How do these represent Christmas?"

The man answers, "Because they're Carol's!"

"Oh my God!" screams the yuppie, noticing the stump where his arm used to be. "My Rolex!"

"A mother and daughter threesome," she explains. "Come on - tonight's your lucky night!" and they go back to her place.

When they get there she puts on the hall light and shouts upstairs, "Mum, are you still awake?"

Nuts NEXT TOP MODEL!

Introducing the hottest new models – in their first ever *Nuts* shoot!

ONLY IN
Nuts!

Beth

An educated Mancunian minx in search of a kitten!

Hi Beth. How have you enjoyed your first *Nuts* shoot?

I loved it! It was really chilled and great fun. I do love *Nuts*!

What are you up to at the moment?

I'm studying economics and science in London. And I've been trying to find a nice kitten to come and live with me, but I haven't had any luck.

What's been the best thing about 2012 for you?

I just love being a student. The discounts are amazing – I got a discount on a dress in Topshop the other day!

If you could do any shoot in the world, what would it involve?

I've always wanted to go to Thailand for a shoot, but I'd be happy with Cornwall if you wanted me!

What's the best thing about being brunette?

We're clever. I got really good A levels in chemistry, biology and sociology and I'm doing a good degree. Then hopefully I'll make lots of money!

How could we give you the perfect first date?

If it was the most perfect date ever, we'd go paintballing then get wasted and dance around

to some really good music, like Etta James or Frank Sinatra.

Tell us a rude confession...

There's a massive window at the front of my bedroom. In my old house in Manchester I could walk around naked because no one in the flats opposite was ever in. Now I get out of the shower and people can see me with everything on display!

“The perfect date would be paintballing!”

WANT TO SEE MORE OF BETH?

Want to see more of Beth in *Nuts*? To vote, simply text VOTE to 85088. Lines close at midnight on 4 December 2012.* Texts cost £1 per text plus network charges.** SP: Spoke helpline 0870 880 4869.

On tour with... AL MURRAY!

Backstage with Britain's best booze merchant!

MARKETING MATTERS!

AL SAYS: "That's what my marketing nerd tells me. That's why you need clear artwork with all the important info like time, place, where, when, what, who, how much. Vital info in capitals, obviously."

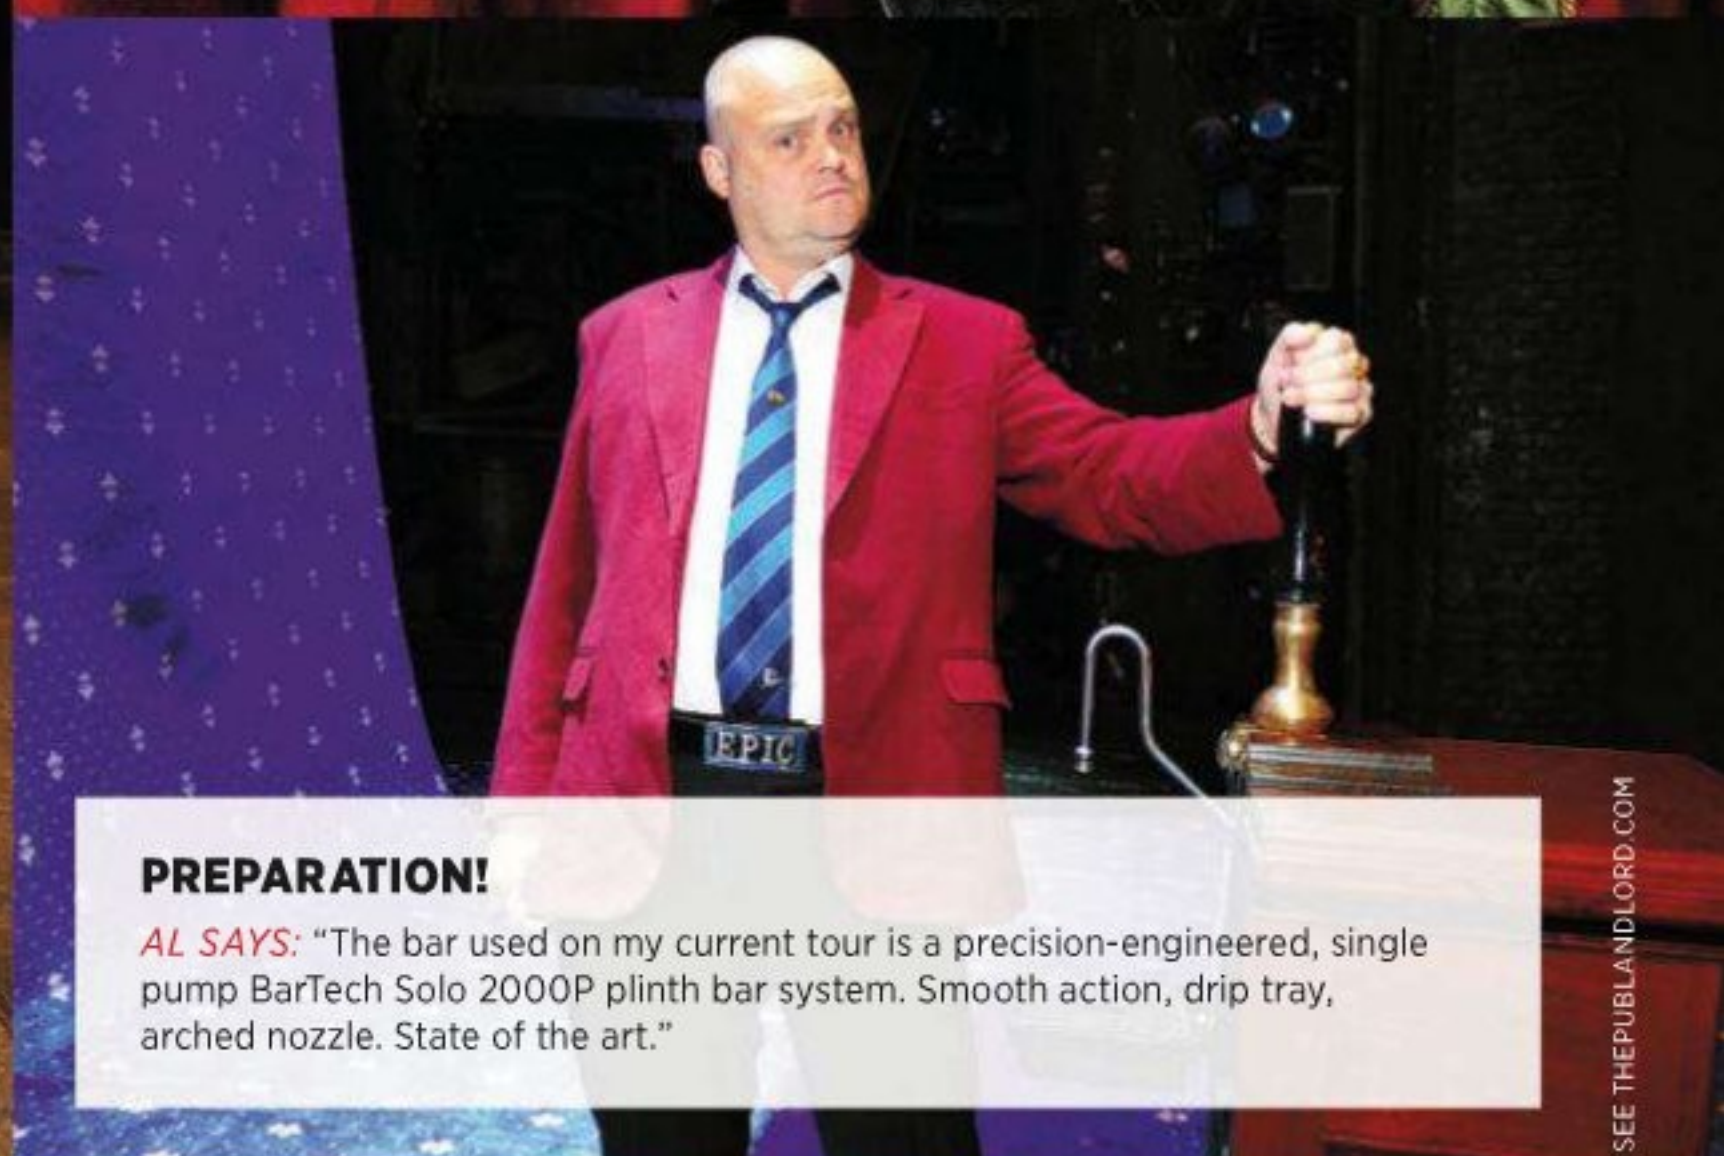

MAKING AN ENTRANCE!

AL SAYS: "Always make sure you make a dramatic entrance. That way no one will forget you. I find coming on with a stuffed dead dog with red eyes tends to grab people's attention."

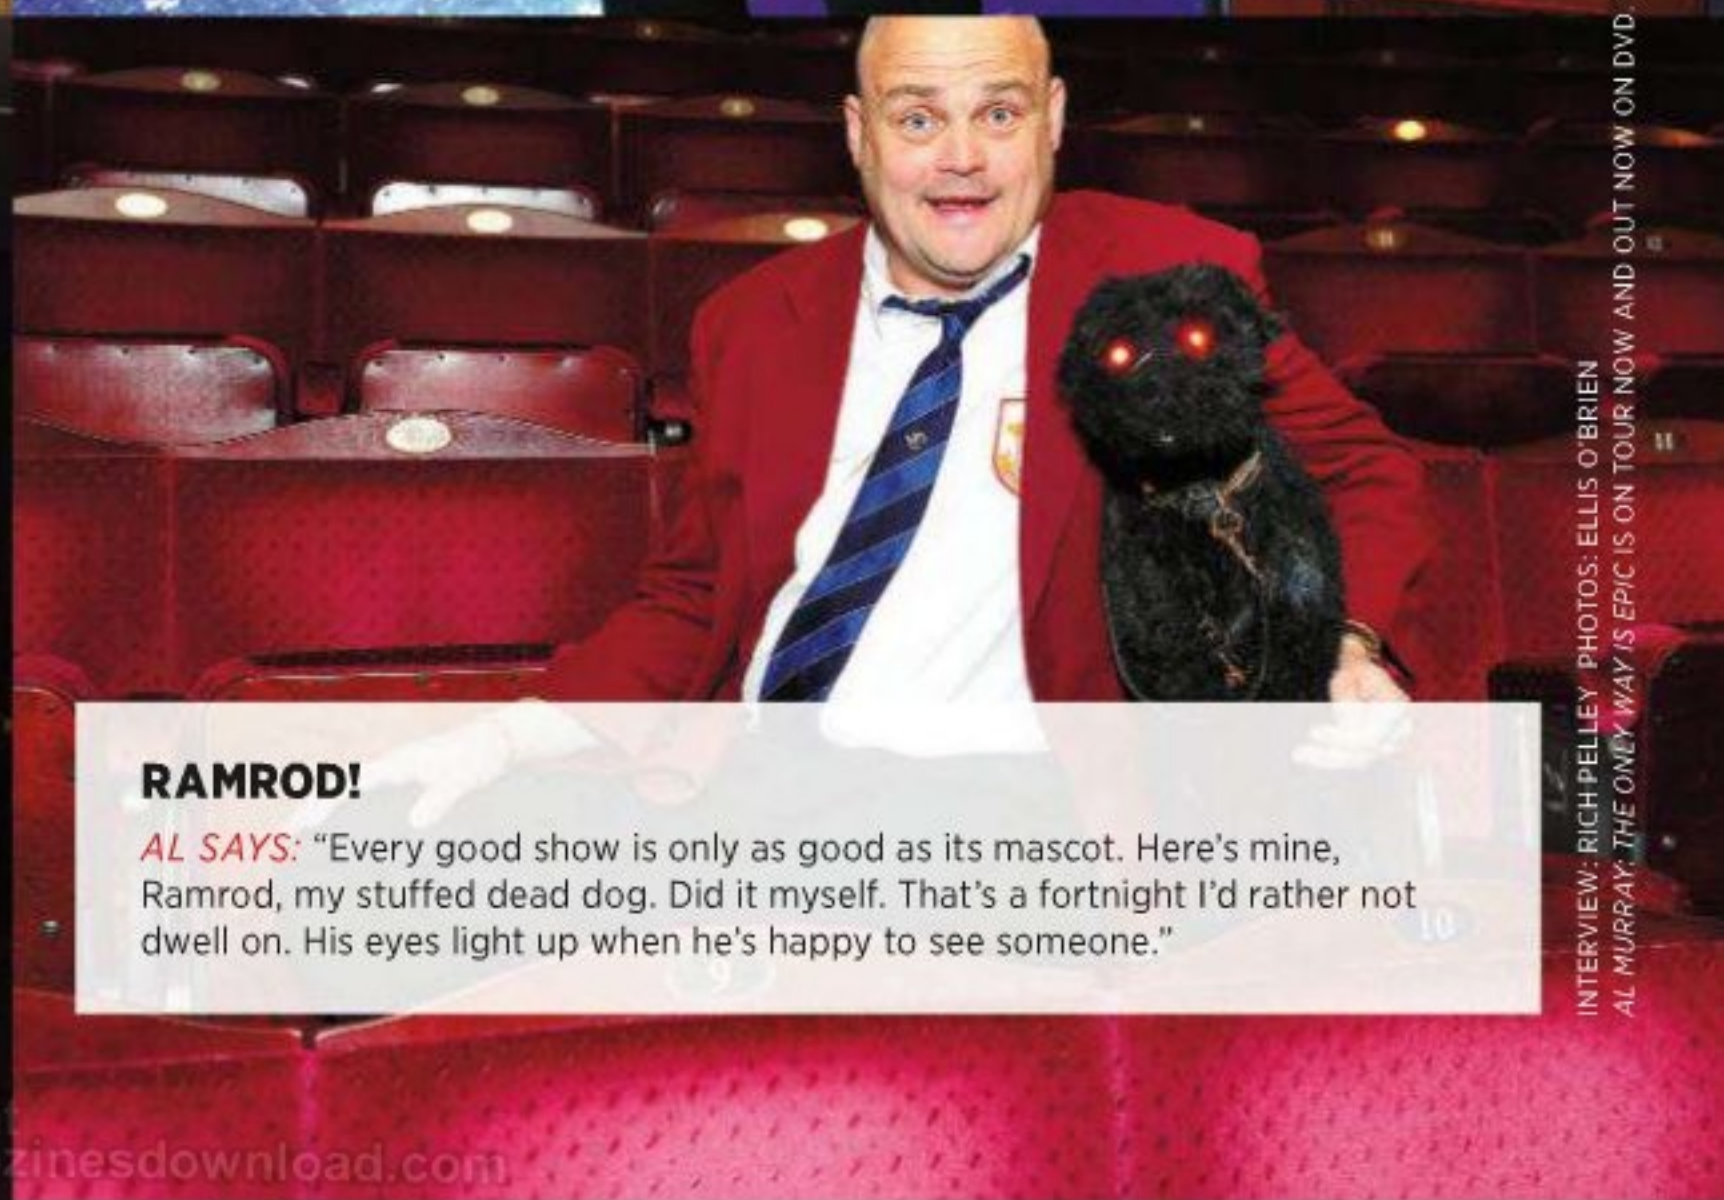

KNOW YOUR AUDIENCE!

AL SAYS: "In general, some Herbert wearing a branded T-shirt isn't going to behave, and an expert doorman is trained to spot this. But sometimes you have to let the press into the VIP area, if only to make them feel special and that."

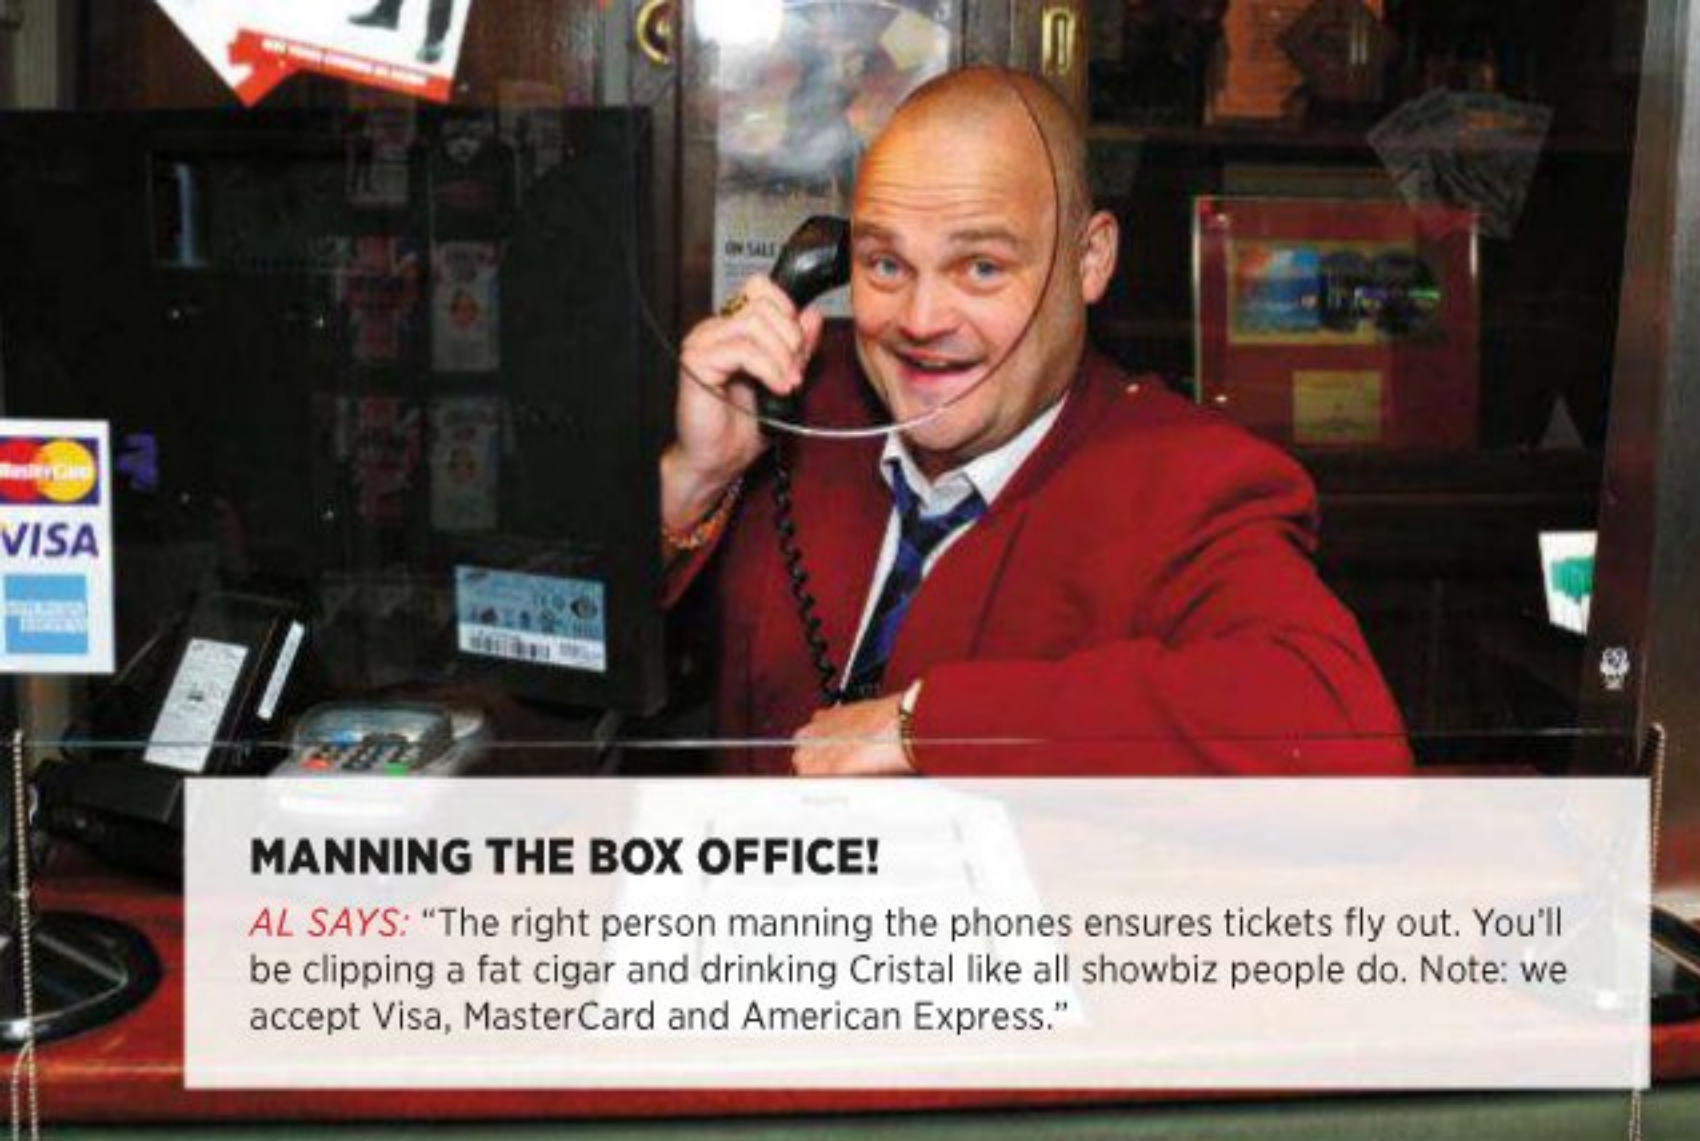

PREPARATION!

AL SAYS: "The bar used on my current tour is a precision-engineered, single pump BarTech Solo 2000P plinth bar system. Smooth action, drip tray, arched nozzle. State of the art."

RAMROD!

AL SAYS: "Every good show is only as good as its mascot. Here's mine, Ramrod, my stuffed dead dog. Did it myself. That's a fortnight I'd rather not dwell on. His eyes light up when he's happy to see someone."

MANNING THE BOX OFFICE!

AL SAYS: "The right person manning the phones ensures tickets fly out. You'll be clipping a fat cigar and drinking Cristal like all showbiz people do. Note: we accept Visa, MasterCard and American Express."

SOUND, MAN!

AL SAYS: "Technology is amazing. We've reached the point where you've got a thousand buttons, screens, compressors, faders and EQ, but a sound man will still say, 'It'll sound completely different when there's people in here.'"

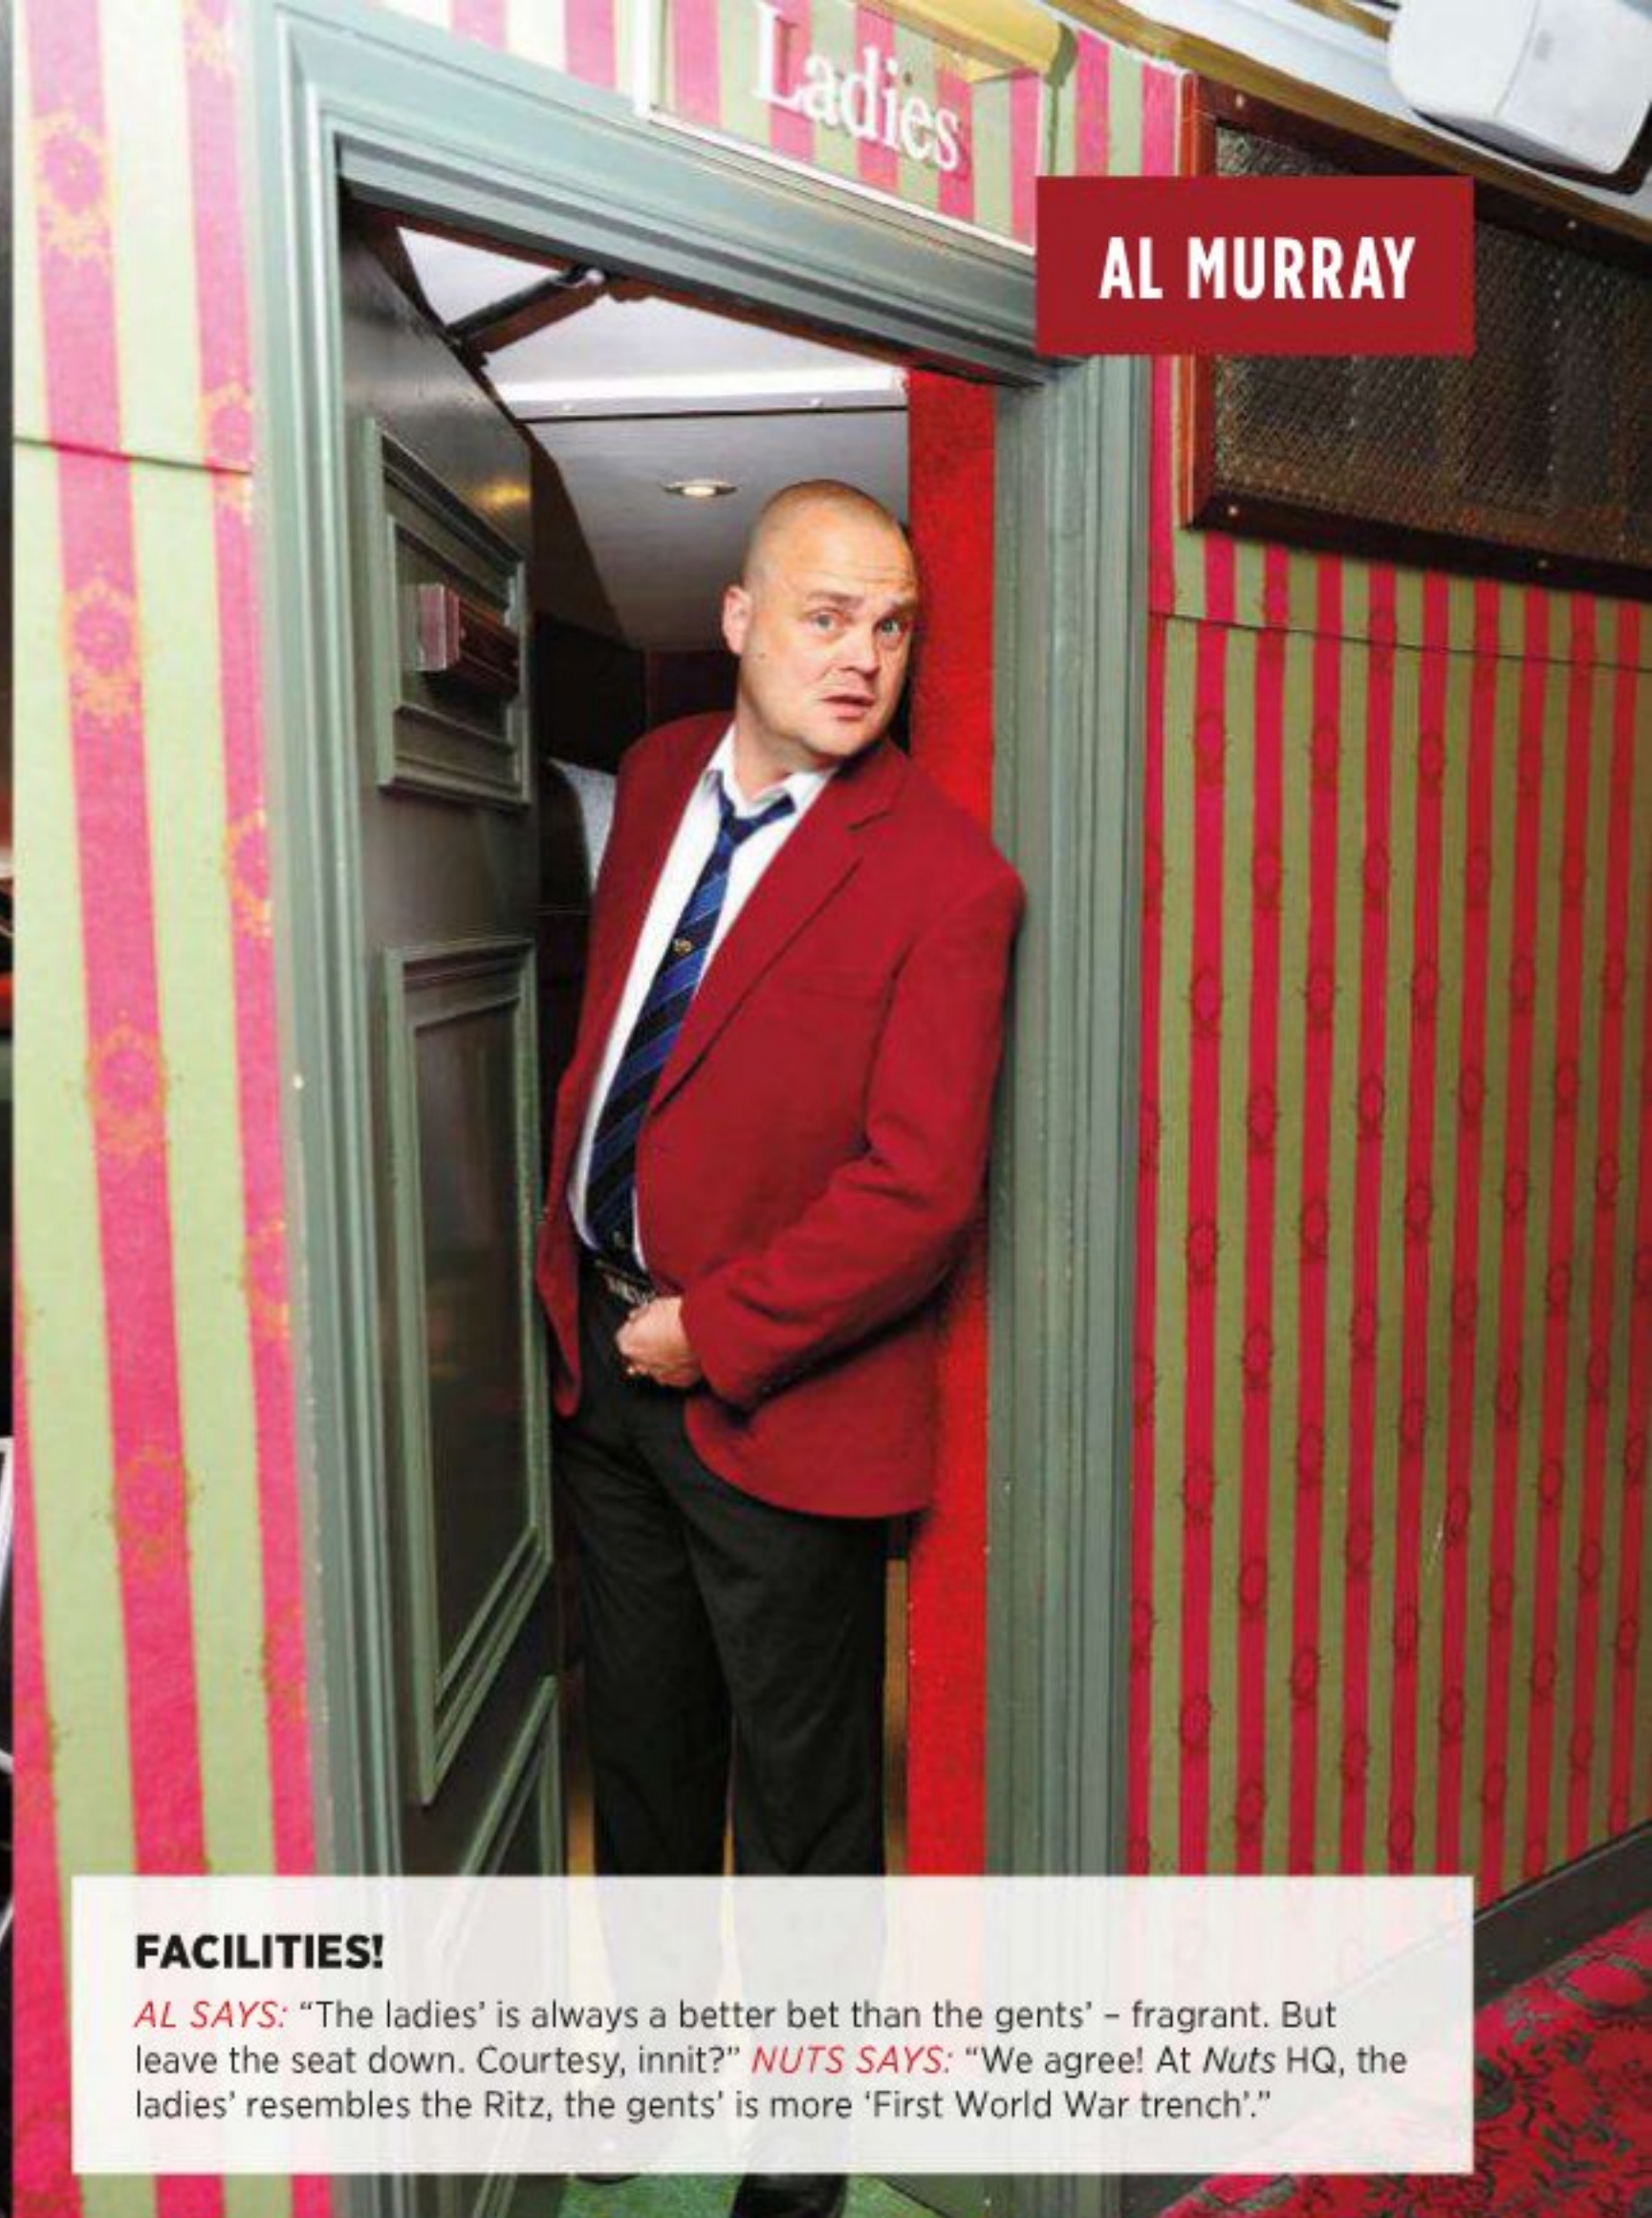

MERCH! KERCHING!

AL SAYS: "Restaurants make money on booze and pubs do it on food. I make an extra 'revenue stream' on this quality merch. This T-shirt is designed to act as a compliment by a fella to his lady's chestular region. Top drawer."

BOOZE!

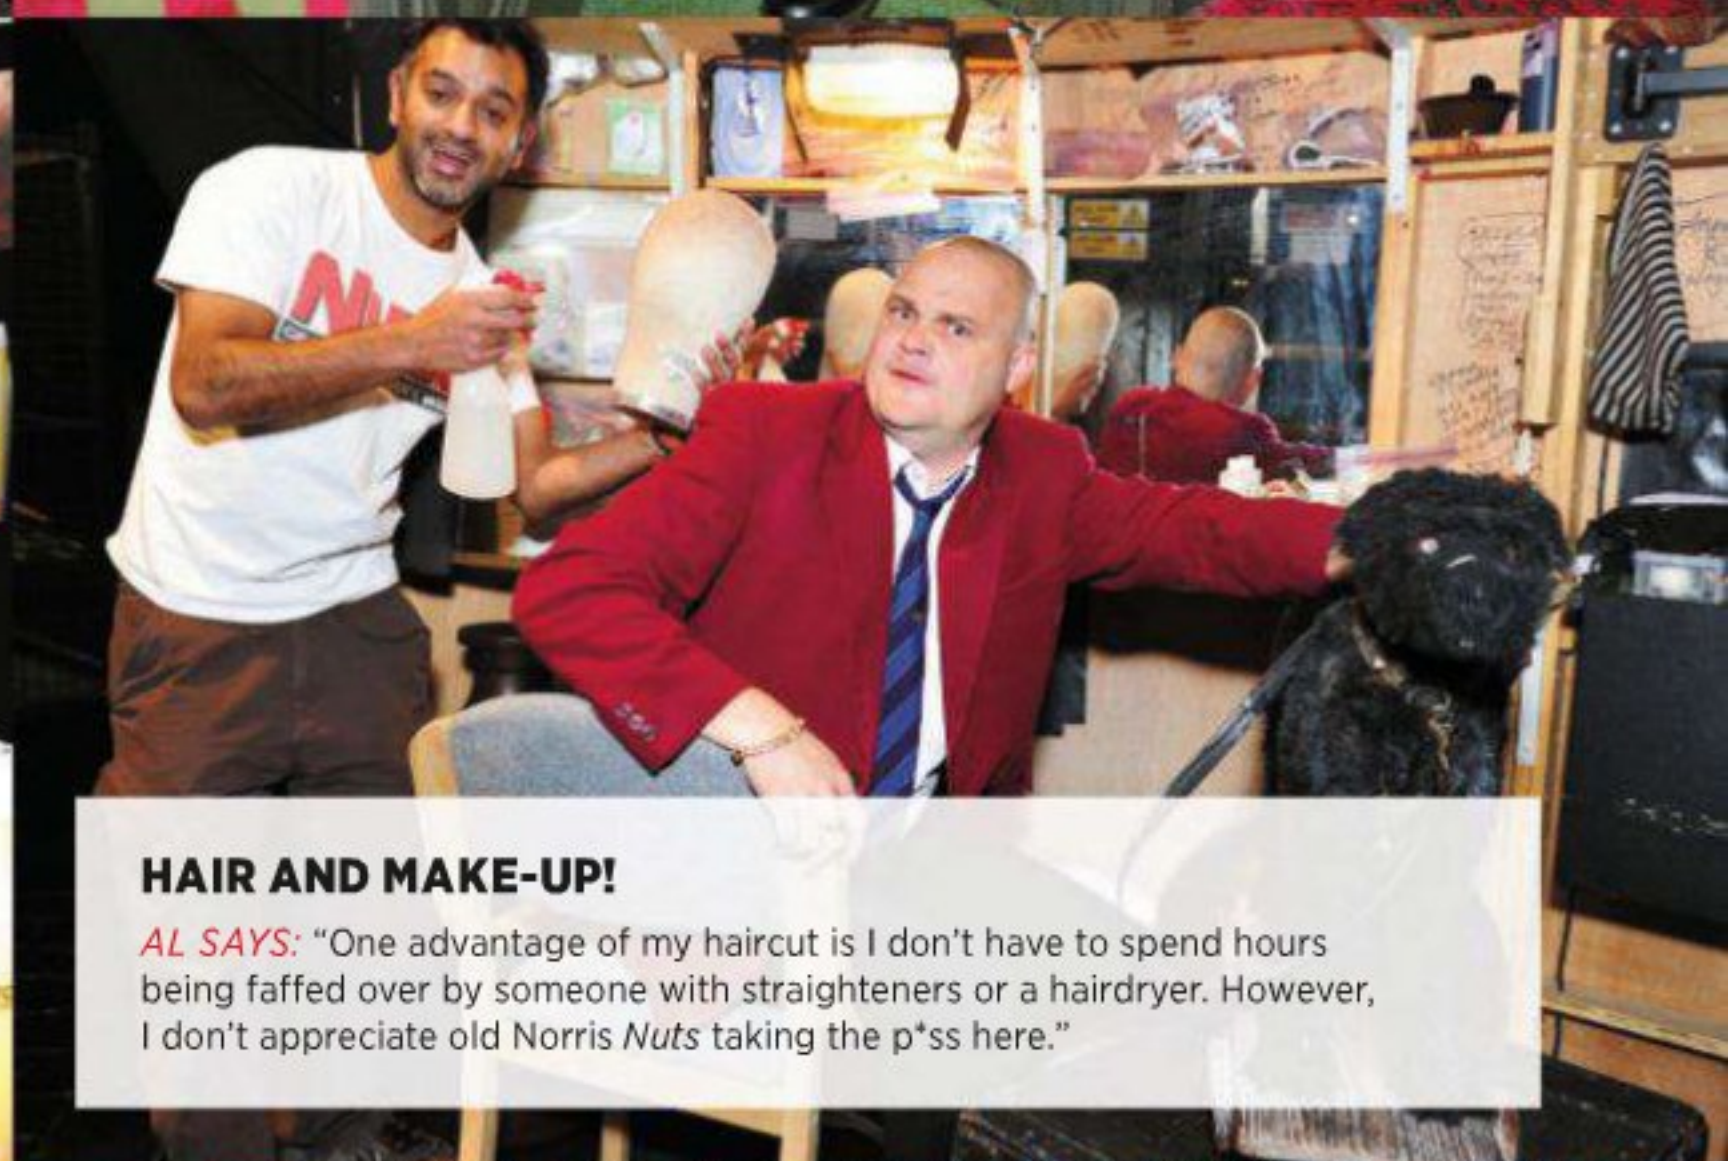

AL SAYS: "It's a very well known and established fact that every show you've ever seen is better when you've had a drink or two. This one will definitely help... bottoms up, *Nuts* readers!"

AL MURRAY

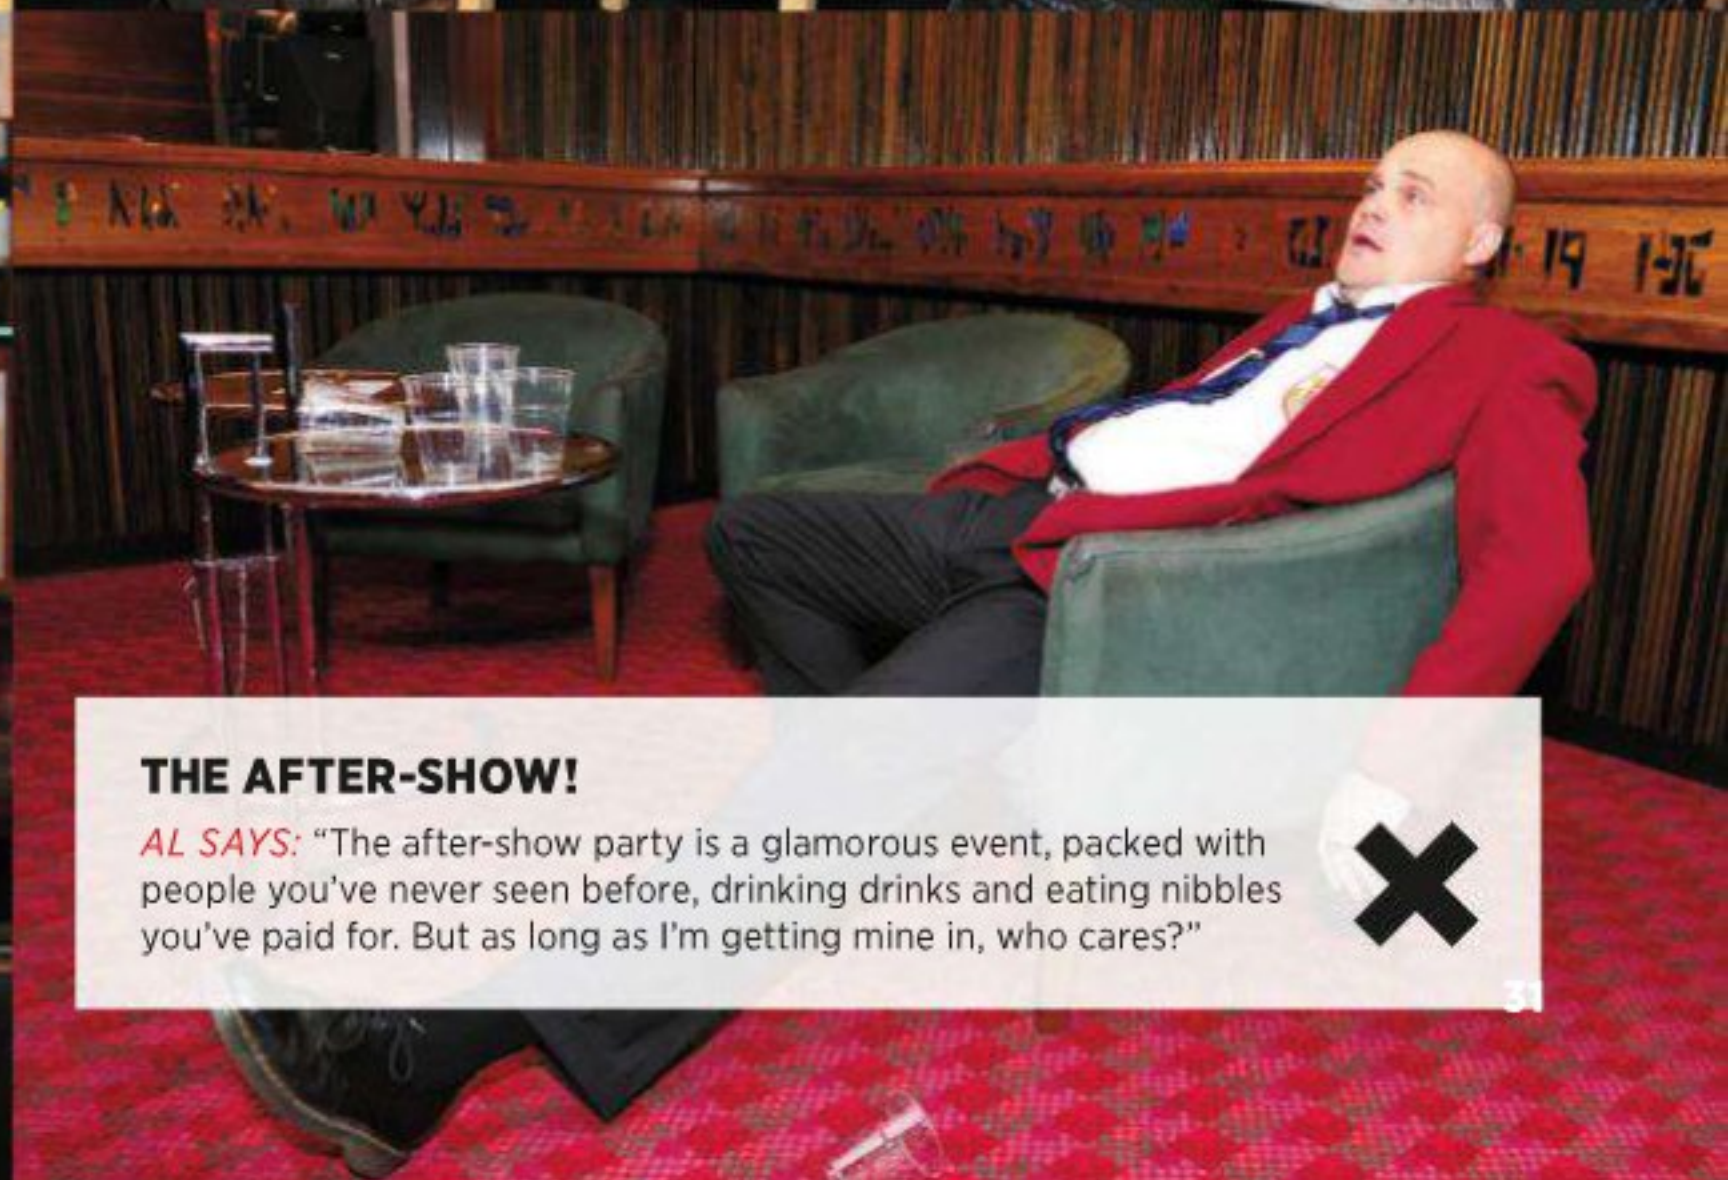

FACILITIES!

AL SAYS: "The ladies' is always a better bet than the gents' – fragrant. But leave the seat down. Courtesy, innit?" **NUTS SAYS:** "We agree! At *Nuts* HQ, the ladies' resembles the Ritz, the gents' is more 'First World War trench'."

HAIR AND MAKE-UP!

AL SAYS: "One advantage of my haircut is I don't have to spend hours being fuffed over by someone with straighteners or a hairdryer. However, I don't appreciate old *Norris Nuts* taking the p*ss here."

THE AFTER-SHOW!

AL SAYS: "The after-show party is a glamorous event, packed with people you've never seen before, drinking drinks and eating nibbles you've paid for. But as long as I'm getting mine in, who cares?"

Rest assured you'll be seeing more of Nicole over the coming months. In the meantime, here she is making the number 13 very lucky indeed!

12 STACEY POOLE

NEW!

One of the best things to come out of 2012 has been Stacey signing to *Nuts*, although she tells us her boobs can be a bit dangerous. We don't mind!

11 LUCY COLLETT

NEW!

Lucy's helped make 2012 the year of curves, redheads and boobs! She's also your awesome new games reporter over on nuts.co.uk.

10 EMMA GLOVER

LAST YEAR: 2

Emma has recently become an official Sugar Hut Honey. Here she is propping up your top ten. She looks like she'd be good at propping things up!

9 HOLLY PEERS

LAST YEAR: 14

How could we have a countdown of your top 100 babes without featuring Manchester beauty Holly? Here she is in your sexy top ten!

8 KELLY HALL

LAST YEAR: 16

Curvy Kelly has gone back to the '50s for the new Hot Shots calendar. Let's hope she makes it back to 2013 in time. And until then, here she is!

7 KELLY BROOK

LAST YEAR: 11

Kelly will be remembered for four things in 2012 – her part in *Keith Lemon: The Film*, her *Nuts* cover, and two other pretty notable things!

6 DANIELLE SHARP

LAST YEAR: 21

Danielle's going to be massive in 2013, and we don't just mean in the region of the bosom. Although her boobs are obviously quite large too.

5 DANICA

LAST YEAR: 12

She may be more famous now thanks to her time in the *Celebrity Big Brother* house, but Danica hasn't forgotten her love of disrobing for *Nuts*!

4 JESSICA-JANE CLEMENT

LAST YEAR: 5

JJC sexed up *I'm A Celeb* in 2011, and spent much of 2012 in *Nuts* with very few clothes on. No wonder she's in your top five. Hooray! ▶

3 PAIGE TYLER
NEW!

You lot always go bonkers for this brunette babe, who has a huge online following. Here she is, bombing into your top three in all her glory!

2 ROSIE JONES
LAST YEAR: 1

In a brilliant battle of boobs, the mighty Rosie has been pipped to the top spot, but is still a *Nuts* legend. Of course, the real winner is the world of boobs.

**“I slap baby oil on
my boobs to keep
them soft!”**

1 LUCY PINDER

LAST YEAR: 3

It's been a bumper year for the delightfully big-boobed brunette, so being voted your sexiest babe in the world is the lovely icing on what is a very sexy cake. Long may her ample assets continue to dazzle us all!

Hey Lucy, congrats on your latest award!

Thank you so much

to those who voted, you're the best! Look, here are my boobs to celebrate!

Are you going to be like Alex Ferguson and come back for title after title?

Ha-ha! Yes, I want to be the Fergie of the glamour world. I just need the tracksuit and chewing gum and I'm away.

Marilyn Monroe wore a bra at night to keep her boobs in top condition. Do you have a regime for your title-winning boobs?

I do, actually. Simply due to the size of them I have to wear a tight vest each night or they're all over the place. I also keep them moisturised and slap on a bit of baby oil to keep them soft, too!

Do you have names for your boobs?

They're bosoms, bangers or "The Boys" – I don't know why they're male. I really hate "norks"!

Do you ever look at yourself and think, "Yeah, I look quite fit today"?

When I'm looking back at my *Nuts* shoots I do think, "Blimey, I look good there!" I'm not sure how it happens though! *Nuts* always makes me look and feel beautiful.

Which was your favourite sexy shoot this year?

Nuts featured my calendar, and I love the image where I'm totally naked except for heels and a bangle!

AN IDIOT ABROAD 3

FRIDAY • SKY1/HD, 9pm

Warwick Davis comes along for the ride in this brill new series!

"You have to stop sneaking yourself into my backpack"

Friday 30 November

"Only four vertical miles to go Karl!"

An Idiot Abroad 3

SKY1/HD • 9pm

"Empty-headed chimp-like buffoon" Karl Pilkington is back for a third series of one-liners and displays of staggering indifference to some of the world's greatest sights. This time, he follows explorer Marco Polo's journey from Italy to China. The twist? Now he's got *Life's Too Short* star Warwick Davis tagging along.

★★★★★

"This Lady Grey tastes oddly of Bourbon"

John Bishop's Big Year

BBC ONE/HD • 9.30pm

The Liverpoolian comic, who seems to be on every show on telly right now, presents the first of a two-show micro series in which he looks back at 2012. So expect the Olympics, *Fifty Shades Of Grey* and continuous recession misery, only amusing.

★★★

Their bank robber getups were original, at least

4Funnies: The Rubberbandits

CHANNEL 4/HD • 11.15pm

Incredibly weird sketches from an Irish rapping comedy duo called Blindboy Boat Club and Mr Chrome. We know that's a lot to take in, but check this out and watch them rip Danny Dyer a new one in spectacular pee-taking fashion.

★★★★

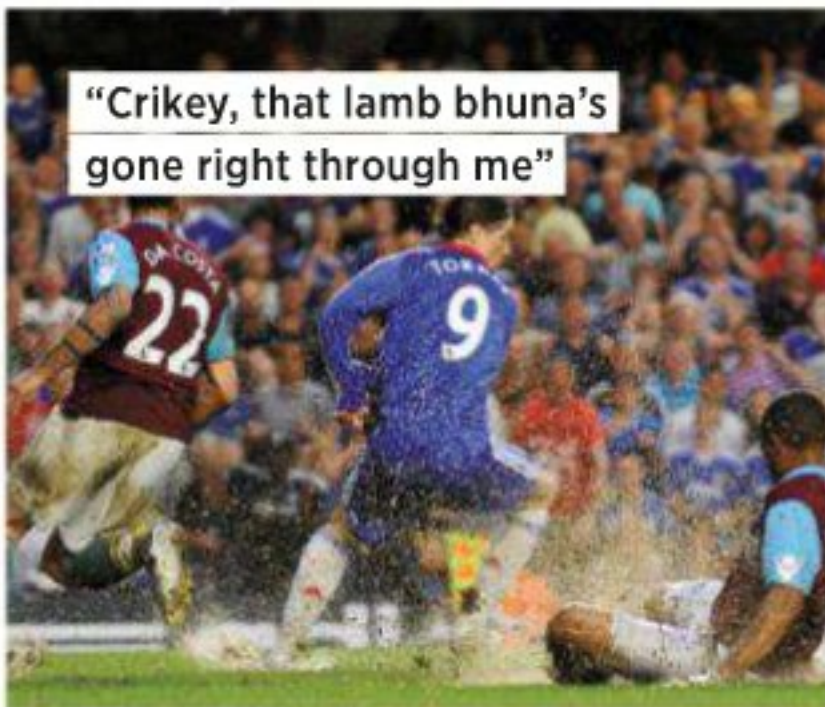

WILD THINGS WITH DOMINIC MONAGHAN

CHANNEL 5/HD • 8pm

The little Hobbit goes in search of the black, hairy, thick-tailed scorpion, which can spray its venom from a metre away. Better stand well back.

Saturday 1 December

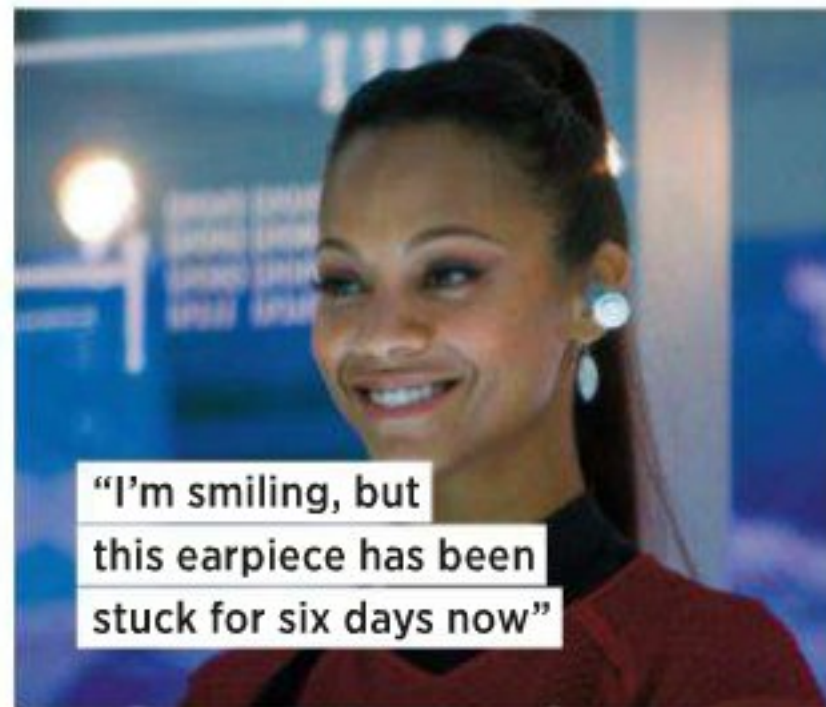

West Ham United vs Chelsea

SKY SPORTS 2/HD • 12.30pm

It wasn't so long ago that an entire division separated these two London giants. But now West Ham are making a pretty good fist of being back in the big time, and aren't too far behind the King's Road dandies. Who's to say that Big Sam's boys won't prevail?

★★★★★

Star Trek

CHANNEL 4/HD • 9pm

Yeah, you've seen it before and you probably own the Blu-ray too, but it's on telly which means you've got to watch JJ Abrams' take on the excellent space movie. There's some corking action as we meet a young Captain Kirk and discover how he became mates with Bones and Spock. There's nothing not to like here.

★★★★★

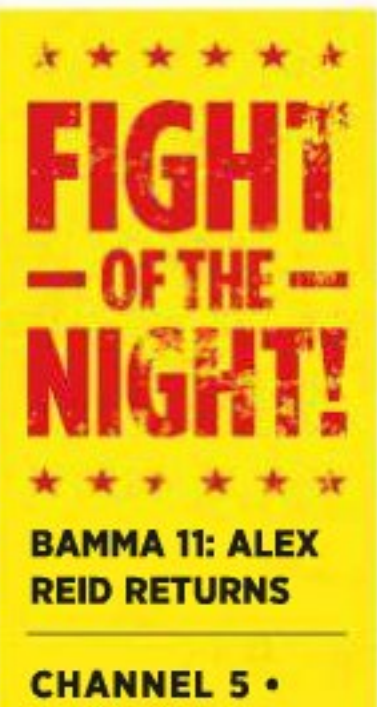

Live At The Apollo

BBC ONE/HD • 9.45pm

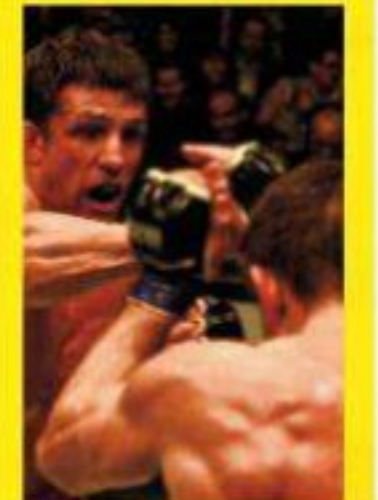

Normally, *Live At The Apollo* can be a little bit on the comfortable side, but this week, Kevin Bridges is hosting the show, which means there should be more than usual in the way of swearing and near-the-knuckle jokes. *Never Mind The Buzzcocks* chubby chappy Phill Jupitus is second on the bill.

★★★★★

CHANNEL 5 • 10.15pm

After recent revelations about Alex Reid's private life, we suspect his opponent will be getting most of the cheers tonight.

Sunday 2 December

Alien Investigations

CHANNEL 4/HD • 8pm

Aliens – are they out there? Almost certainly not, but we won't let that get in the way of some chortlesome documentary fun. For some reason, much of the ET activity on Earth seems to take place in the USA and Mexico – what are we doing wrong?

★★★

Homeland

CHANNEL 4 • 9pm

Man-on-the-brink-of-losing-his-mind-completely Brody makes a call, in the hope of stopping things from spiralling further out of control. If he really thinks that's remotely possible at this stage, well, he'd be very wrong. Best-beard-on-telly Saul teams up with Virgil and Max to snoop on one of their own. Intriguing!

★★★★★

Peep Show

CHANNEL 4/HD • 10pm

We may be in the eighth series, but age has done little to stem the flow of embarrassing scrapes the two pals always find themselves in. We've grown to love them and occasionally, identify with them. Like tonight, when Jeremy goes on a life-coaching course, then promptly sleeps with his tutor. Gloriously toe-curling, as ever.

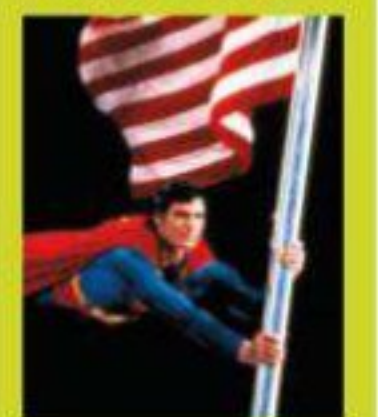

★★★★★

SUPERMAN II

CHANNEL 5 • 6.30pm

Old as the hills but still a brilliant flick, Superman must battle General Zod and his henchmen (plus one very hot bad-ass lady baddie) who've escaped from the Phantom Zone.

Monday 3 December

Newcastle vs Wigan

SKY SPORTS 1/HD • 7pm

Rah! A bit of Monday Prem action for the first time in a while. And we're off to St James' Park, where you'd expect Newcastle to do the business – but then you'd have expected them to beat Swansea at home and they got done. Could be interesting!

★★★★

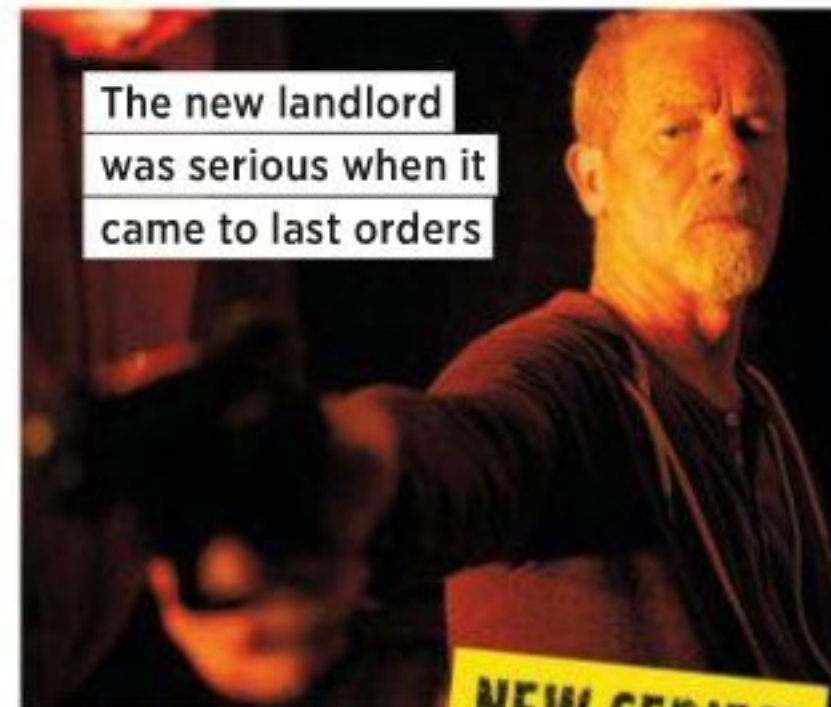

The All New Gadget Show

CHANNEL 5/HD • 8pm

If you're a fan of all things shiny and clever, feast your eyes on this festive special, which sees reviews of such gadgety goodness as the iPad Mini, Kindle Fire HD, Nintendo Wii U and PS3 Slim. You may have to rejig that Christmas wish list after this.

★★★

The Fear

CHANNEL 4/HD • 10pm

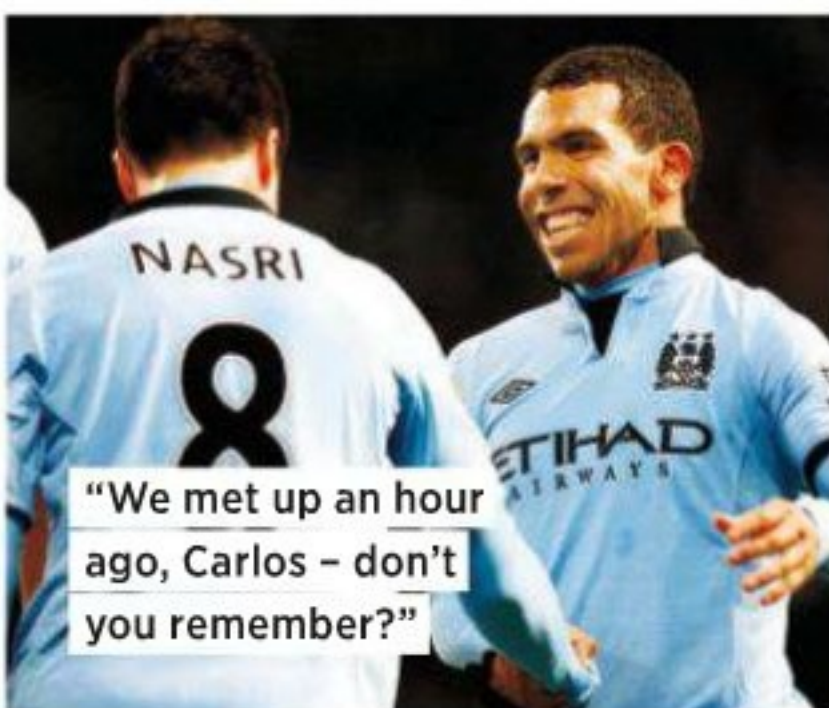

Quality crime drama showing over four nights this week. It follows a crime boss-turned-entrepreneur who's up against two new enemies: Albanian gangsters and, worse, dementia. With his kids managing the not-so-legit side of his business, they think they can handle the Albanians muscling in. How wrong they are!

Borussia Dortmund vs Man City

SKY SPORTS 2/HD • 7pm

Man City are without a win in the Champions League, bottom of the table, and now face Dortmund away, hoping to get in the Europa League. Safe to say it's not gone to plan then.

Lemon La Vida Loca: Merry Keithmas! Part 1

ITV2/HD • 10pm

Two-part Christmas special of the spoof reality show that sees the perma-tanned Lothario spending time with *Inbetweeners* star Emily Atack and winding-up his neighbours. Ace!

★★★★

Fabrice Muamba: Sports Life Stories

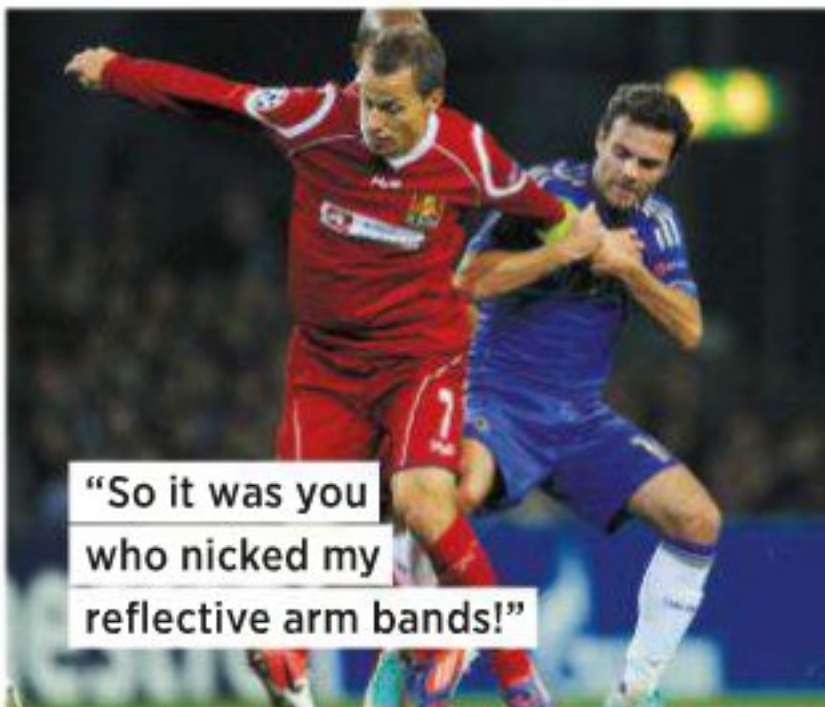

ITV4/HD • 10pm

The year's most harrowing moment in sport was Bolton's Fabrice Muamba prone on the White Hart Lane pitch having suffered cardiac arrest. This describes his survival and recovery.

★★★★★

Wednesday 5 December

Chelsea vs Nordsjaelland

SKY SPORTS 2/HD • 6pm

Chelsea's defeat at Juventus two weeks ago left them on the brink of Champions League exit and boss Roberto Di Matteo out of a job. We're backing the Blues to win this, but the holders' chances of making it further now depend on results elsewhere.

★★★★

Untraceable

CHANNEL 5 • 10pm

Clever, though brutal and gruesome horror crime yarn following an FBI agent on the trail of a serial killer. The killer's novelty is that he likes to murder his victims and broadcast it live over the net. Wonder if he's got a YouTube channel for that? There are no mahoosive stars in this, but nevertheless, it'll keep you enthralled.

★★★★

The Inbetweeners USA

E4/HD • 10pm

The Yanks have swapped out our Will, Jay, Neil and Simon for their own versions. It's a lot like the original, from Simon's yellow car to Will getting his picture taken on the loo, except with American cultural references. Check it out - we like!

★★★★

GAG OF THE WEEK!

MILTON JONES: DAVE'S ONE NIGHT STAND

DAVE/HD • 10pm

"I was on the bus the other day. A bloke was reading the paper and he turned to me and said, 'Do you think we should be in Afghanistan?' I said 'I've only paid to Hounslow.'"

Thursday 6 December

Contagion

SKY MOVIES PREMIERE/HD • 8pm

We watched this with our ladyfriend, and after 15 minutes, she made us turn it off, freaking out that she wouldn't be able to get on the bus the next day. With a fantastic ensemble cast, the film's about a mass outbreak of a killer disease. You might well start carrying that antibacterial gel post viewing though.

★★★★

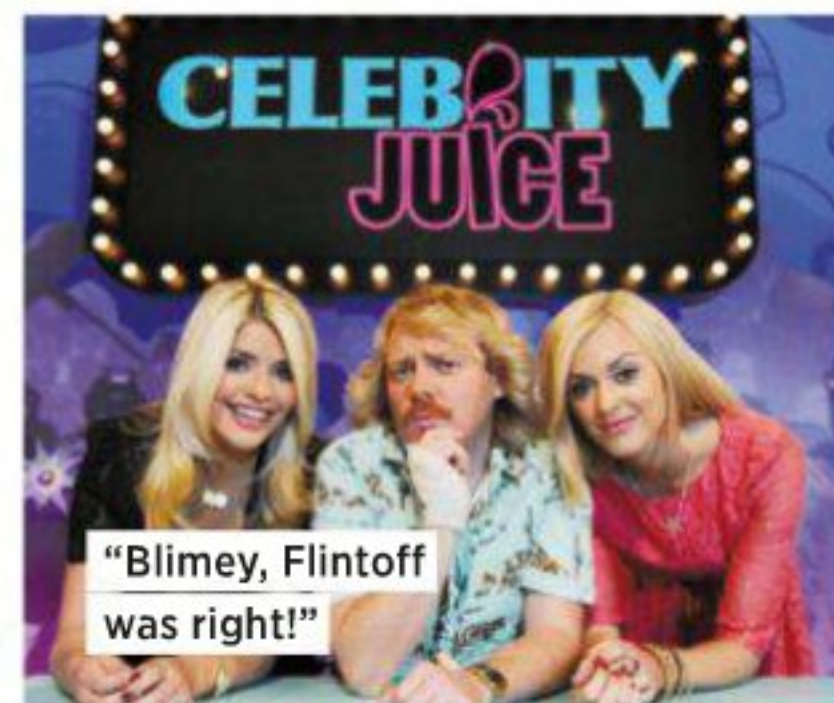

Flintoff: From Lord's To The Ring

SKY1/HD • 9pm

This episode picks up the thread of Freddie's remarkable story of his transformation from cricketer to boxer in the aftermath of his first fight, which we hope will be a win!

★★★★★

Celebrity Juice

ITV2/HD • 10pm

After *Lemon La Vida Loca* earlier in the week, here's more of bottle-blond lady pleaser Keith Lemon, this time in his corking comedy quiz show. Tonight, he gets to take the mick out of guests Little Mix, actor Verne Troyer and comedian Jason Manford, all aided by stunning team captains Holly Willoughby and Fearne Cotton.

This brilliantly bloody British black comedy follows an oddball couple caravanning through the Yorkshire countryside. She's

knitted a pair of crotchless knickers for the occasion, but the trouble is her new bloke's a mentalist. It's not long before the blood flows and she's drawn into the serial killer's world. If you like your humour dark, this flick's funny as hell! ★★★★★

From the brain that brought you *Family Guy*, Seth MacFarlane writes, directs and voices this comedy about one man and his bear.

'Cabbie went the extra mile'

I WORK in a taxi office, and at about four in the morning last week, when it was really dead, a driver I fancy loads came in. As we sat chatting, I noticed the atmosphere changing and we ended up kissing. A very big, muscly guy, he lifted me up, placed me onto the pool table and gave me the best – and probably noisiest – sex I've ever had. Just after we'd finished, our manager walked in! The driver winked at me, I blushed, then I put my headset back on and waited for the early morning calls.

'Shopping surprise'

I'D TAKEN a day off from work and was returning home from my dance class

when I popped into a clothes shop owned by a gym buddy of mine. I asked her for a pair of skintight jeans, which she helped me to try on in the dressing room. Then we both spotted my "camel toe". "Oh

no!" I shrieked, embarrassed. "Oh, don't worry about that," she replied. "I like it." Kissing me softly, she gently rubbed her fingers all over my bits, sending me wild with desire. I ripped my gym kit off and she was soon licking me to glory – what a service!

'We met up in the loo'

MY JOB is to sell shoes in a store in a big shopping centre, right in the middle of London. One day, a really hot guy came in to buy some high heels for his girlfriend. Within minutes we were flirting with each other and before he left, he asked me for my phone number. I gave it to him and he was soon sending me messages, asking me if I wanted to meet up later that day. "Let's get together in the disabled loos this lunchtime," I texted back. I could hardly contain my excitement. As soon as I walked in there, he was kissing me. He whipped out a condom, slid it on and had me up against the wall. It was amazing – and now we meet up every time he's shopping nearby. As for his girlfriend, well, I don't think she'll be holding that position for very much longer!

'I pushed him into a chair'

I WENT over to my friend's house recently. Soon after I got there, she needed to nip out to grab some food and wine, leaving me alone with her sexy younger brother. I told him I was really thirsty and asked if he wanted to come and have a drink in the kitchen with me. Once there, we both reached for the fridge and our hands met, making us stop and stare at each other. As he opened his mouth, I put my finger to his lips and told him to keep quiet. With my other hand, I unzipped his jeans, pushed him down into a chair and took him in my mouth, working my way up and down his shaft. When it was over, I simply walked back upstairs and waited for my friend to return. She has no idea what happened!

10 RUDE QUESTIONS!

And a real girl to answer them!

Amelia

22 **Darlington**

1 Where's the strangest place you've had sex?

"It has to be in the changing rooms at a local water park one time!"

2 What's your trademark move in the bedroom?

"I can do some unreal things with my mouth and tongue and I know it!"

3 What really turns you on?

"I love a man who's confident and sexy in the bedroom and knows exactly what he's doing with his tongue."

4 What's your favourite position?

"I love almost all positions, but I especially love any that put me in complete control in the bedroom!"

5 Is it better to give or to receive?

"To give! I think it's a real turn-on knowing how much you're making a guy's heart race in bed."

6 What one thing would you really like to try but haven't yet?

"There's not much I haven't tried, but a bit of extra kinkiness is good!"

7 Ever got it on with another girl?

"I've done more than just rude things with another girl quite a few times!"

8 What's your role-playing costume of choice?

"I have a huge collection of outfits for the bedroom, from cute and classy to absolute filth! I have a really sexy nurse's outfit with a cute little nurse's hat, stethoscope and red garter belt. I also love my super-tight red all-in-one, with white fishnet stockings and suspenders."

9 Have you ever made a sex tape?

"Yes, I've made a few personal sex tapes. I'll give anything a go!"

10 What's the rudest thing you've done?

"I turned up at an ex's workplace in a knee-length mac with sexy lingerie underneath, stockings, suspenders and killer heels. I told his boss I'd received some bad news and asked if he could pop out so we could talk. We had the most amazing sex ever in my car. I dropped him back at work like nothing had happened!"

"I can do some unreal things with my tongue!"

The Chelsea chopping block!

A look back at the men who've sat in the hottest seat in football!

➔ LAST WEEK, poor Roberto Di Matteo became the seventh manager in eight years to be handed his P45 by Chelsea owner Roman Abramovich. Here, Nuts assesses the gaffers he's sacked, and evaluates the daftness of their dismissals!

CLAUDIO RANIERI

Sept 2000-May 2004

Reached the semi-finals of the **Champions League** in 2004, and finished second to Arsenal's "Invincibles" with a club record points total. The core of his team won two subsequent Premier League titles.

HOW HARSH?

JOSE MOURINHO

June 2004-Sept 2007

Won the **Premier League** and **League Cup** twice, the **FA Cup** once, and had a win record of 67 per cent. Also won the Champions League with the team he managed before Chelsea (Porto) and after (Inter).

HOW HARSH?

AVRAM GRANT

Sept 2007-May 2008

Matched Mourinho's 67 per cent win rate and reached the final of the 2008 Champions League, only losing thanks to a John Terry slip in a penalty shootout. Dismissed three days later.

HOW HARSH?

LUIZ FELIPE SCOLARI

July 2008-Feb 2009

The second least successful boss of the Abramovich years to date (only Andre Villas-Boas has a worse record). But then "Big Phil" did win the World Cup with Brazil in 2002, so he's not exactly a mug.

HOW HARSH?

ANDRE VILLAS-BOAS

June 2011-March 2012

After becoming the youngest manager ever, at 33, to win a major European title when his Porto side won the 2011 Europa League, Villas-Boas was given just 40 games to prove himself at Chelsea.

HOW HARSH?

ROBERTO DI MATTEO

March 2012-Nov 2012

In his 42 games in charge, Di Matteo won the **FA Cup** then the **Champions League** that Abramovich had been chasing for nearly a decade.

But three defeats in his last eight games saw the Abramovich axe swing again.

HOW HARSH?

Was it right to axe him?

Radio 5 Live pundit **Pat Nevin** gives his view...

"It's a bit brutal, but it's also in keeping with a model that Chelsea have

been employing for nearly a decade and it's worked quite well. There's a tradition in English football of managers staying at their clubs for very long spells. Chelsea's may be an alien method but if it works, who can say they're wrong? It's a business model, and it works."

● Does Kammy agree? Find out on page 72!

CARLO ANCELOTTI

June 2009-May 2011

Did the **Premier League** and **FA Cup** double in 2010, Chelsea's first domestic double, and was voted Manager Of The Month four times in two seasons. Sacked after finishing runner-up to Man United

HOW HARSH?

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Maybe if I stay here on the pitch they'll have to change their minds..."

'Di Matteo has been treated shamefully!'

Chelsea were looking for a reason to sack the manager

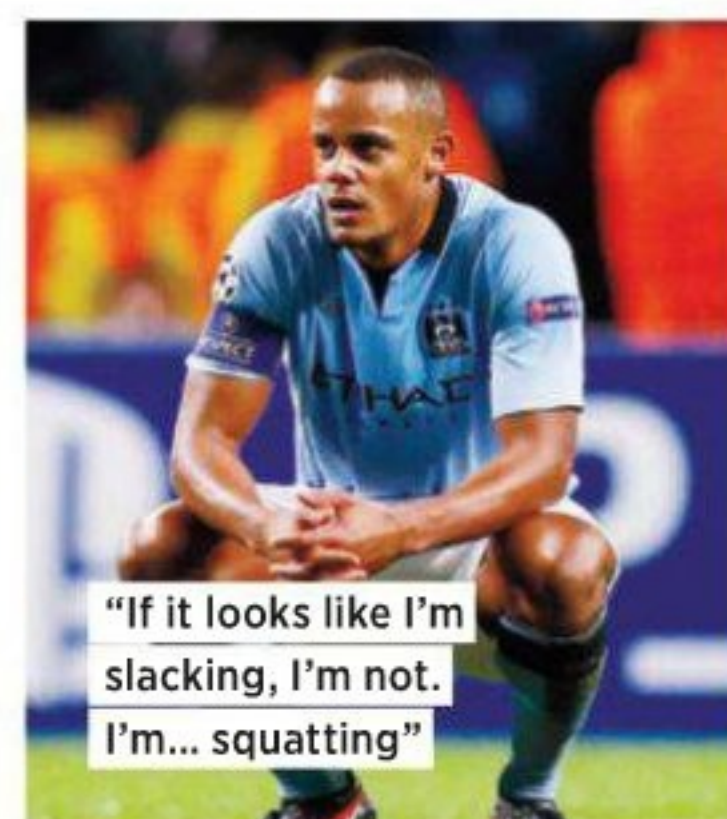

I FIND the sacking of Roberto Di Matteo by Chelsea appalling. He achieved what Roman Abramovich has been craving for the best part of a decade, delivering him the Champions League and the FA Cup, weathering the John Terry affair and restoring Fernando Torres almost to the player he was at Liverpool – yet he still

got "treated" to the tin tack! There are fans who say Di Matteo's taken the club as far as he can and that this season is a disaster. But those who think the next manager will suddenly make things better are living on Cloud Cuckoo Land.

The team is in transition, as Lampard and Terry start to show their age, and they need a safe pair of hands to

steady the ship. Benitez is Chelsea's tenth manager in eight years and they've spent £60million in getting rid of his predecessors. It's crazy!

Di Matteo should have been given one full season on the back of last season's success. But Chelsea's owners were practically praying for him to have a bad spell – they never wanted him in the first place.

"If it looks like I'm slacking, I'm not. I'm... squatting"

Where English clubs go wrong

IT'S BEEN a pretty poor group phase for England's clubs in Europe, with Man City out, Chelsea on the verge of elimination and Arsenal and Man United through without really dominating what should have been easy groups. I don't know why they find it so hard.

We had Edgar Davids on Goals On Sunday and he said the Premier League is the most exciting, passionate league in Europe. But maybe that's working against us in Europe, where the football's more technical. Real Madrid were catching Man City on the break with ease last week – their football was so much more precise.

They have to learn to kill games and stop chasing goals like they do in the Prem. It makes for great viewing, but it won't help them in Europe.

UNBELIEVABLY GOOD!

MOYES THE BETTER!

David Moyes has celebrated his 400th league game in charge of Everton. He hasn't won a trophy in ten years – credit to Everton for not being a modern, trigger-happy club.

UNBELIEVABLY BAD!

CURSES!

Paul Lambert's touchline ban is absurd. I know he swore but it came on the back of a penalty given by an assistant referee who didn't see something happen!

"C'mon, lads, we used to be amigos!"

Charlie Austin is ready for the big time

WITH 20 goals in 17 games, Burnley's Charlie Austin is Europe's most prolific goal scorer this season. I expect this one-time brickie will be in a Premier League shirt soon – he deserves it.

"Ugh, the ball's attacking me!"

Everton vs Arsenal

WED 28 NOVEMBER, 7.45PM

The Gunners are still blowing hot and cold and aren't yet back to being the free-flowing Arsenal that once played so well. Poor performance against Reading aside, Everton are doing well and I reckon they may sneak this one.

PREDICTION: 2-1

Key man

Arsenal have struggled with high balls into the box this season. Marouane Fellaini is going to cause them problems.

Outside the Box

JULIAN PUCKETT & STEPHEN GULBIS

So...what system are you using at Spurs..?

...well we've tried various things...

...but generally we go with i pod, dolby surround sound and big spongy headphones...

EXCLUSIVE!

Flintoff: 'I'm focused on this fight!'

On the eve of his big boxing debut, Freddie talks about tactics, testicles and tea!

➔ **Hi Freddie! Did you get the idea to become a boxer**

from appearing on *A League Of Their Own* and wanting to punch your fellow panelists?

No! I enjoy doing *A League Of Their Own*. Working with James [Corden], Jack [Whitehall], Bish [John Bishop] and Jamie [Redknapp] is great. There's been a bit of mickey-taking, but that's backed with genuine concern.

Are they worried you might get killed and they'll have to find a replacement?

There's an element of danger when you go into a ring. That's why you put all the time in training to give yourself the best chance.

Are you disappointed boxing isn't more like wrestling so you could bop opponent Richard Dawson on the head with your cricket bat?

Boxing's a very technical sport and you need a lot

of hard work and dedication. Wrestling's entertainment but physically demanding. But I've never thought of taking a bat into the ring, no!

Is Mrs Flintoff worried that your new boxing career will ruin your "classic" good looks?

I don't think there's too much to start with! My nose has changed shape, I've got fat lips, but she's really supportive. I suppose after the fight she may tell me what she really thinks!

Will you be wearing a cricket box in case you get punched in the goolies?

You don't wear a box, you wear a belt with a cup protector in it, so they'll be looked after!

Could you cheat, like putting an anvil inside your boxing glove or wrapping it in barbed wire?

It hasn't even crossed my mind, mate!

How long have you been off the booze now?

Since I started training – a few months now. It's been fine. I miss food more than the drink. When you play cricket, you come off for lunch and tea, so it's quite civilised. With boxing it's steak for breakfast, chicken, lots of veg, green tea, black coffee and water.

Ricky Hatton famously used to get straight back on the beers and burgers after finishing a fight. Will you follow suit?

I'm going to keep training. It's each to their own. I saw

Ricky the other Sunday at the Man City game, before his fight. He had that glint in his eye and he looked really fit.

Has anyone come up with a good boxing name for you yet?

How about Flying Fists Flintoff? No. I'm just focused on getting in that ring. The music and the name are the furthest things from my mind.

How do you know you're not going to walk into the ring, get punched and burst into tears?

You see the big glove coming towards you and you think, "I'm alright." Then you get hit again and again. It's not pain, it's shock. I don't know if you get used to it, but I've sparred hundreds of rounds to be in a position to feel confident.

What cricket skills are easily transferable to the boxing ring?

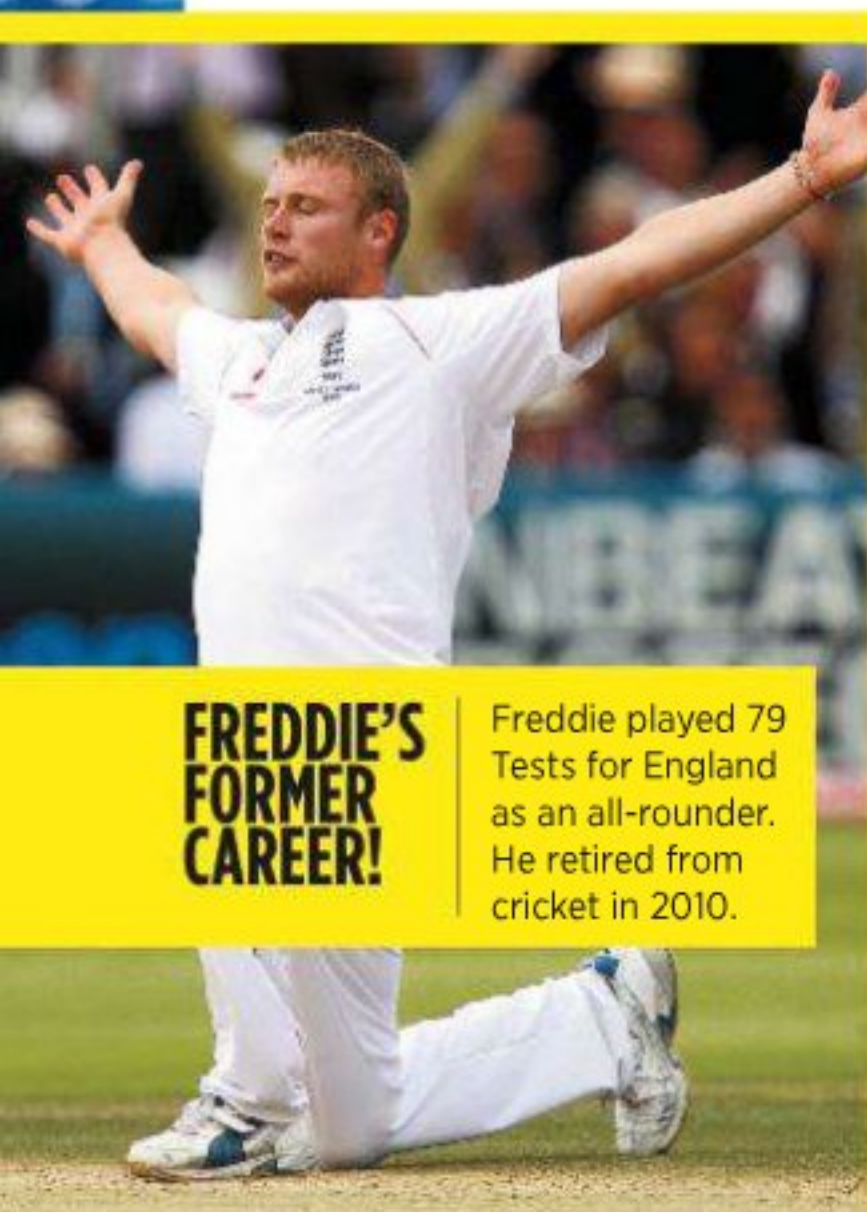

I suppose the footwork, hand-eye coordination, reactions, you stand sideways and the mechanics of the arms.

Aren't you supposed to abstain from sex before a big fight?

Are you? Are you speaking from experience or just in general? Are you thinking of having a fight so that's why you're not getting any sex? Ha!

Ahem! Are there other sports that you'd hypothetically like to give a go. How about becoming an F1 driver?

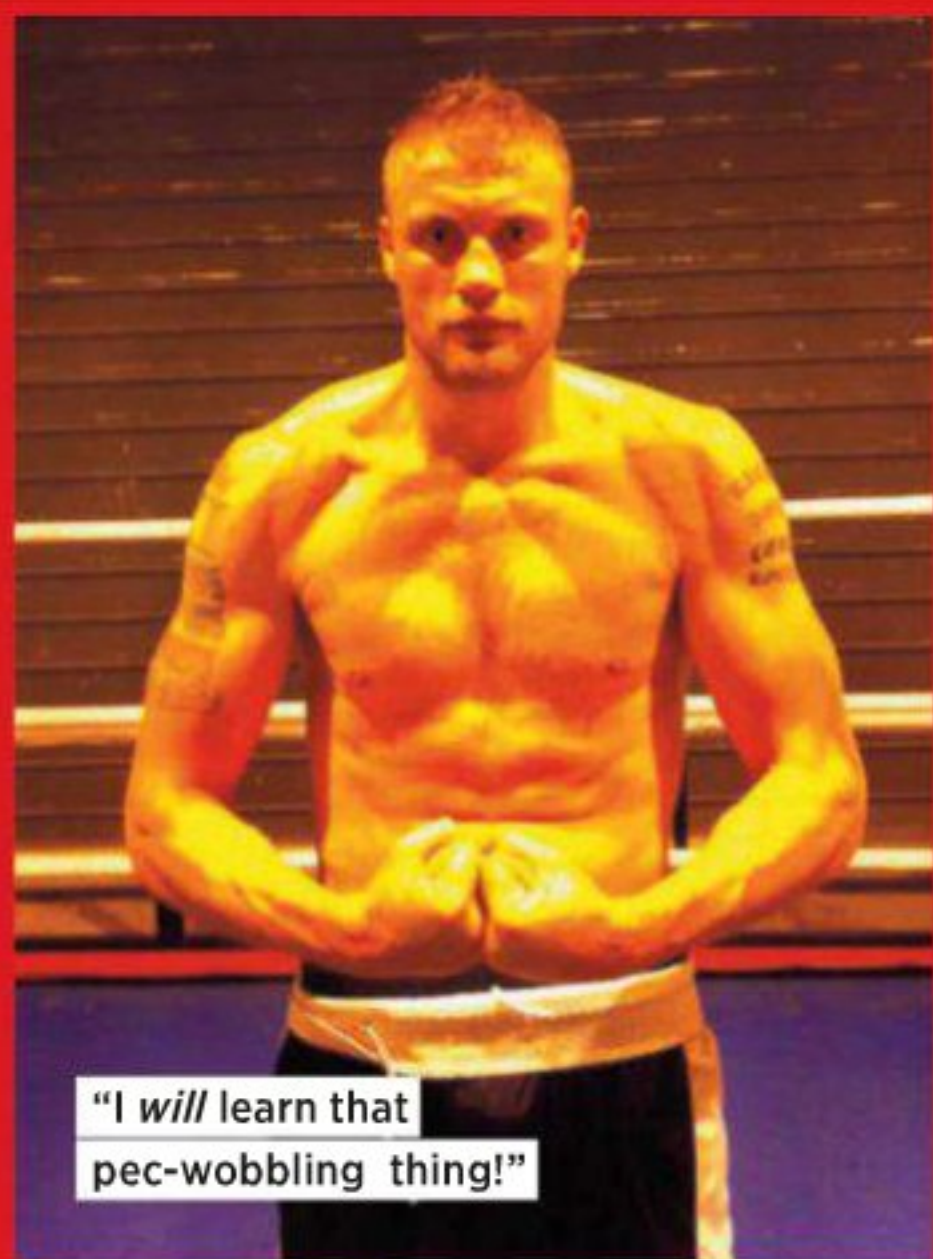

I can't get in them cars. I'm too big. I'm the wrong body shape completely. I played darts the other week on *A League Of Their Own*.

FREDDIE'S FORMER CAREER!

Freddie played 79 Tests for England as an all-rounder. He retired from cricket in 2010.

"I will learn that pec-wobbling thing!"

"When you get hit, it's not pain – it's shock!"
Freddie Flintoff

Have you any idea what your odds on winning are?

I've no idea. In my head I can't do any more than I've done – I've got myself in a position to go into the ring.

We'll place a bet for you and if you win, we'll go 50/50.
Brilliant.

Can we borrow some money for the bet, please?
Ha-ha! No!

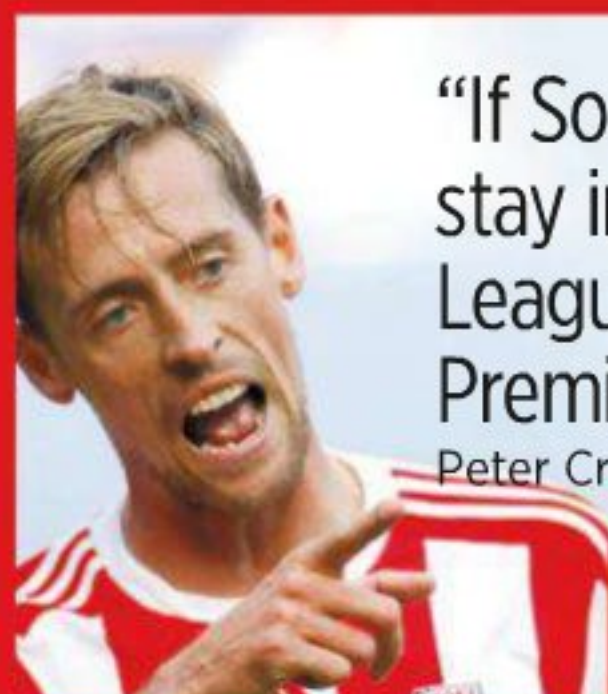

Thanks, Freddie! Good luck. We'll be rooting for you!
Cheers, Nuts!
